With the advance of evidence-based practice has come the publication of numerous dense volumes reviewing the theoretical and empirical components of child and adolescent treatment. There are also a variety of detailed treatment manuals that describe the step-by-step procedures to guide ongoing research and practice. The second edition of Craig Winston LeCroy's Handbook of Evidence-Based Child and Adolescent Treatment Manuals is a forceful combination of the two approaches, as he gathers fifteen varied treatment manuals and brief summaries of the research supporting each to ensure that practitioners will truly understand how to implement the treatments they are using.A completely revised and expanded edition of the handbook's first edition, this is an essential guide to some of the best programs for helping children and teens. Each chapter begins with an explanatory section that discusses the theoretical and empirical underpinnings of the programs. The treatment manual follows, leading readers through sessions with specific details about conducting the treatment that have been refined and improved through extensive testing and research. Organized into three sections: the major clinical disorders, social problems confronting children and teens, and preventive interventions the Handbook brings together some of the most esteemed researcher-practitioners in the child and adolescent field. The book presents an impressive variety of innovative treatment programs and techniques including: the SiHLE program (intended to prevent problems confronting children and teens, and preventive interventions the Handbook brings together some of the most esteemed researcher-practitioners in the child and adolescent field. The book presents an impressive variety of innovative treatment programs and techniques including: the SiHLE program (intended to prevent HIV through education and self-esteem building), the Children of Divorce Intervention Program (a therapy for younger children stressing resilience and skill-building), and Strengths Oriented Family Therapy (which reaches out to substance-involved adolescents and their families).The Handbook of Evidence-Based Child and Adolescent Treatment Manuals is an indispensable reference for researchers, graduate students, and practitioners working with children and adolescents in a multitude of settings, from schools and juvenile correction centers to group homes and family service agencies.

Shiya Village is a remote, climate-friendly village. The people here are hardworking and kind, the men are self-sufficient in their work. This year's spring, however, broke the serenity of the past. A group of men surrounded the area ... So there was a river of blood here. Auntie Shi did her best. He placed the stone book and sword of his beloved son on Qing Feng to show off his skills. The bones of the books and swords were unique as they practiced martial arts at the Clear Wind Monastery. He didn't want to get hit by a fluke. Familiar with the plain girl swordsman Wen Zhu. He had a feud with the Martial Arts Sect. By chance and coincidence, he learnt the sword kinesis technique of a senior. But the danger was getting closer. As a result, the river and the lake were dangerous, with a slim chance of survival. Shi Shujian and Xiu Wenzhu's minds were linked. Finally, he found out the secret of the Bloody Rock Cliff Village. Together, they defeated the great devil, Dongfang Xiao. Escape from this world ... Spring came. Stone Cliff Village was still as beautiful as ever. Close]
