The Brotherband Chronicles: The Outcasts. Wolfwind emerged from the predawn sea mist like a wraith, slowly taking physical form. With her sail furled and the yardarm lowered to the deck, and propelled by only four of her oars, the wolfship glided slowly toward the beach. The four rowers wielded their oars carefully, raising them only a few centimeters from the water at the end of each stroke so that the noise of drops splashing back into the sea was kept to a minimum.

Brotherband: The Outcasts: Book One by John Flanagan ...
The Outcasts is the first book in the Brotherband series, from the author of the internationally bestselling Ranger's Apprentice. There is only one way to become a warrior. Boys are chosen for teams called Brotherbands and must endure months of gruelling battles in the treacherous sea.

Hal, who does not fit into Skandian society, ends up in a brotherband, a group of boys learning the skills that they need to become warriors, with other outcasts, and they compete with other brotherbands in a series of challenges.

With their honor restored, Hal and his fellow Herons leave Skandia again on a new mission--to track down and stop Hal's nemesis, Tursgud, a bullying youth-turned vicious pirate and slave trader.

From the author of the global phenomenon and New York Times bestselling Ranger's Apprentice! Hal and his brotherband crew are hot on the trail of the pirate Zovac and they have one thing only on their minds: Stopping the bloodthirsty thief before he can do more damage. Of course, they also know Zovac has the Andomal, the priceless Skandian artifact stolen when the brotherband let down their guard. The chase leads down mighty rivers, terrifying rapids, to the lawless fortress of Ragusa. If Hal is to succeed, he will need to go beyond his brotherband training. He will need to challenge the pirate one-on-one, knowing only one of them will survive. The epic series from Ranger's Apprentice author John Flanagan continues, delivering pulse-pounding adventure and fun. Perfect for fans of J.R.R. Tolkien ’ s Lord of the Rings, T.H. White ’ s The Sword in the Stone, Christopher Paolini ’ s Eragon series, and George R. R. Martin ’ s Game of Thrones/ A Song of Ice and Fire series.

Hal and the other Herons were charged with protecting the Skandian's sacred artifact, the Andomal, but when it is stolen they have to endure storms at sea, a cold winter, and a battle with bandits in their efforts to recover the relic.

In his witty first novel for young readers, New York Times best-selling author Jasper Fforde introduces fifteen-year-old Jennifer Strange, who runs an agency for underemployed magicians in a world where magic is fading away. But when visions of the death of the world's last dragon begin, all signs point to Jennifer—and Big Magic.

"Companion to the bestselling Ranger's Apprentice"--Cover.

John Flanagan, author of the international phenomenon Ranger's Apprentice, creates a world of seafaring adventures, treacherous pirates and epic battles in Brotherband. In Skandia, there is only one way to become a warrior. Boys are chosen for teams called brotherbands and must endure three months of gruelling training in seamanship, weapons and battle tactics. It's brotherband against brotherband, fighting it out in a series of challenges. There can be only one winner. When Hal Mikkelson finds himself the unwilling leader of a brotherband made up of outcasts, he must step up to the challenge. The Heron brotherband might not have the strength and numbers of the other two teams, but with inventiveness, ingenuity and courage on their side, they might just surprise everyone.

"Companion to the bestselling Ranger's Apprentice."

Returning home for the annual warrior competition, Hal and the Herons are reunited with someone from their past and embark on a high-risk mission to rescue the Empress's son from pirate kidnappers.

When the worlds of Ranger's Apprentice and Brotherband cross over, action and adventure are guaranteed! King Duncan of Araluen has an urgent mission for Hal and the Heron brotherband. One assassination attempt on his daughter Cassandra was foiled - but the would-be killers are from the deadly Scorpion cult, and they won't be satisfied until they have completed their task. The Herons team up with Ranger Gilan to track the killers across the deserts of Arrida and infiltrate their mountain lair. But the Scorpion assassins are not the only threat the brotherband will face. A seaside battle is looming, and the Herons are called upon to help an old friend of Araluen in his fight. With their forces split between searing land and treacherous seas, can the brotherband complete their mission - before the killers find their royal target?
