This comprehensive study guide is ideal for any student studying introductory Business and Management courses. The guide is divided into three main modules; Business and its Environment, Management of People and Business Finance and Accounting. Key topics such as motivation, the evolution of management theories, organization structures, types of businesses, stock valuation and investment appraisals are included. Please view the Table of Contents for a list of topics.

This exam preparation guide provides extra support for students studying for their Business Management for the IB Diploma examination, for first teaching in 2014. Case studies and structured questions provide opportunities to practise and assess progress, which helps to build students' confidence. In addition, a focus on numeracy skills gives extra support with this particular aspect of the course. The resource encourages students to think critically and strategically about organisational behaviour. Answers to the exam preparation guide questions are online.
