A local Singaporean magazine dedicated to photography and videography.

Singapore's leading tech magazine gives its readers the power to decide with its informative articles and in-depth reviews.

This first book in an exciting new series offers a lively and contemporary re-examination of a classic subject. It's geared to young photographers who are having fun with their first digital SLR cameras, and want results that look like the stylish photos in hip magazines and ads. Filled with practical photographic advice and attractive, inspiring images, *Baby Photography NOW!* helps parents master the skills they need to get the most natural-looking shots of their baby. Learn about the essential equipment, lighting techniques, poses that work especially well, and the best ways to capture precious moments during naptime, bathtime, playtime, and special occasions. There are plenty of expert tips on post-production, polishing the image with Photoshop, designing an album, and creating gift mementoes, too!
