Shows you how to have a satisfying career as a mediator, offering a practical, nuts and bolts guide to breaking into the field and a no-nonsense approach to the reality of current professional opportunities. Provides a vital resource but also conveys the sense of mission mediators feel for this emerging new profession

How to Make Money as a Mediator (and Create Value for Everyone) is an invaluable and inspirational resource filled with practical, proven, and down-to-earth information on how you can develop a satisfying and lucrative career as a mediator, no matter what your area of interest—labor and employment mediation, intellectual property, environment, personal injury, family and divorce, contract, securities, or international peacekeeping.

Most mediators feel that helping people end conflicts is special work, and, they're sustained by rewards beyond money, praise, or fame. But with no obvious career path and no prescribed courses to take or degrees to earn, how does one become a mediator? Whatever your background—whether in law, social work, teaching, psychology, business, homemaking, or parenting—you can become a mediator and find a satisfying career says Peter Lovenheim. *Becoming a Mediator* shows

## Download File PDF Career In Dispute Resolution

you how, offering a practical, nuts-and-bolts guide to breaking into the field and a no-nonsense approach to the reality of current professional opportunities. Drawing from the experiences of actual mediators, as well as from his own many years of work as an attorney and mediator, Lovenheim not only provides a vital resource but also conveys the sense of mission mediators feel for this emerging new profession.

As litigation costs and risks continue to skyrocket, mediation has become the preferred alternative to settling disputes. As a result, many people view mediation as a kind of career gold rush and are drawn to the prospect of easy money. In *Dispute Resolution Field Manual*, author Rodney Romano lays out the reasons and obstacles that cause a nearly 90 percent failure rate and how to overcome them. Holding nothing back, he provides frank and practical information about necessary traits and skills to be a good mediator, how to establish and maintain a successful mediation practice, and how mediators can positively affect those who use their services. He details the steps needed for every aspect of mediation both in practice and on the business side. This concise, no-nonsense book is meant to be used as a daily reference for all dispute resolution practitioners and participants.
