History. Venice. February 09, 2012. Today, Casanova is best known as one of the most famous lovers in history. But the Venetian was more than a womanizer. He was a scam artist and scofflaw, an alchemist, spy and church cleric. He wrote satires, fought duels, and escaped from prison more than once. Giacomo Casanova.

Casanova Was a Book Lover: And Other... by John Maxwell ...

In Casanova, noted author Ian Kelly traces the life of Giacomo Casanova, a man whose very name is synonymous with sensuality, seduction and sexual prowess. But Casanova was more than just a great lover. A businessman, diplomat, spy, and philosopher, he authored more than twenty books, including a translation of *The Iliad*.

Casanova: Actor Lover Priest Spy by Ian Kelly

Henriette was the pseudonym of Casanova's greatest love and the woman who possibly broke his heart. Running from an angry husband in the guise of a man, Henriette basically used Casanova as well as several other men to escape to the city of Parma in luxury.

Giacomo Casanova: Italy's Original Ladies Man - Life in Italy

In Casanova, noted author Ian Kelly traces the life of Giacomo Casanova, a man whose very name is synonymous with sensuality, seduction and sexual prowess. But Casanova was more than just a great lover. A businessman, diplomat, spy, and philosopher, he authored more than twenty books, including a translation of *The Iliad*. Confidant to many infamous characters—including Madame de Pompadour, Voltaire, and Catherine the Great—Casanova was undoubtedly charismatic.

Everyone knows which books people buy; they can just look at the best-seller lists. But who knows which books people steal? Who, for that matter, knows that authors ruin the book market by writing too much? Or why book critics are not critical? Or why librarians need to throw out more books? Who, indeed, knows the answer to that all-important question in our democracy: should presidents and presidential candidates write books? (The answer is no.) In this irreverent analysis of the book industry, John Maxwell Hamilton -- a longtime journalist and public radio commentator -- answers these questions and many more, proving that the best way to study books is not to take them too seriously. He provides a rich history of the book -- from the days when monks laboriously hand-copied texts to the tidal wave of Titanic tie-ins -- and gives a succinct overview of the state of the industry today, including writing, marketing, promoting, reviewing, ghostwriting, and collecting. Throughout, Hamilton peppers his prose with spicy tidbits of information that will fascinate bibliophiles everywhere. For instance, did you know that Walt Whitman was fired from a government job because his boss found *Leaves of Grass*, and its author, immoral? Or that the most stolen book in the United States is the Bible, followed by *The Joy of Sex*? How about that Dan Quayle's 1989 Christmas card read, "May our nation continue to be a beakon of hope to the world"? Or that Casanova was an ardent lover of books as well as women? Hamilton offers an inside look at the history and business of book reviewing, explaining why, more often than not, reviewers resemble "counselors at a self-esteem camp" and examining the enormous impact of the "Oprah effect" on the market. As the self-appointed Emily Post of the book world, he advises publishers, authors, and readers on proper etiquette for everything from book parties ("Feel free to build a party around a theme in a book, no matter how tacky") and jacket photos ("You should not show off your new baby unless [your] book [is] about raising kids"), to book signings ("Just because an author has given you an autograph does not mean they want to become your pen pal") and promotion by friends and relatives ("They should carry the book at all times on public transportation with the cover showing"). Both edifying and enjoyable, *Casanova Was a Book Lover* fills a Grand Canyon--sized void in the literature on literature. It is indispensable for book enthusiasts who want to know the naked truth about reading, writing, and publishing.

Offers an unconventional view of Casanova as a benevolent lover of women, an ardent believer in the Enlightenment, who grew from a sickly Venetian infant, abandoned by his actress mother, to become a spirited voluptuary

In Casanova, noted author Ian Kelly traces the life of Giacomo Casanova, a man whose very name is synonymous with sensuality, seduction and sexual prowess. But Casanova was more than just a great lover. A businessman, diplomat, spy, and philosopher, he authored more than twenty books, including a translation of *The Iliad*. Confidant to many infamous characters—including Madame de Pompadour, Voltaire, and Catherine the Great—Casanova was undoubtedly charismatic. But how exactly did he seduce himself into infamy? In this richly drawn portrait, Casanova emerges as very much a product of eighteenth-century Venice. He reveled in its commedia del arte and Kelly posits that his successes as both a libertine and a libertarian grew from his careful study of its artifice and illusion. Food, travel, sex: Casanova's great passions are timeless ones and Kelly brings to life in full flavor the grandeur of his exploits. He also articulates the fascinating personal philosophy that inspired Casanova's quest to bed all manner of women. A riveting look at the life of the most legendary lover of all time, this is destined to become the definitive biography of Giacomo Casanova.

"Sexy, surprising, funny, insightful, and wildly entertaining" (Huffington Post)—the definitive biography of Giacomo Casanova, the impoverished boy who became the famous writer, notorious libertine, and self-invented genius in decadent eighteenth-century Europe. Today, "Casanova" is a synonym for "great lover," yet the real story of this remarkable figure is little known. A figure straight out of a Henry Fielding novel, Giacomo Casanova was erotic, brilliant,

Read Online Casanova Was A Book Lover And Other Truths And Provocative Curiosities About The Writing Selling And Reading Of Books

impulsive, and desperate for recognition; a self-destructive genius. Over the course of his lifetime, he claimed to have seduced more than one hundred women, among them married women, young women in convents, girls just barely in their teens, women of high and low birth alike. Abandoned by his mother, an actress and courtesan, Casanova was raised by his illiterate grandmother, coming of age in a Venice filled with spies and political intrigue. He was intellectually curious and read forbidden books, for which he was jailed. He staged a dramatic escape from Venice's notorious prison, I Piombi, the only person known to have done so. He then fled to France, ingratiated himself at the royal court, and invented the national lottery that still exists to this day. He crisscrossed Europe, landing for a while in St. Petersburg, where he was admitted to the court of Catherine the Great. He corresponded with Voltaire and met Mozart and Lorenzo da Ponte—assisting them as they composed the timeless opera *Don Giovanni*. And he wrote what many consider the greatest memoir of the era, the twelve-volume *Story of My Life*. Laurence Bergreen's *Casanova* recounts this astonishing life in rich, intimate detail, and at the same time, paints a dazzling portrait of eighteenth-century Europe, filled with a cast of characters from serving girls to kings and courtiers, "great fun for any history lover" (Kirkus Reviews).

Lucia works as a servant girl in Italy and is engaged to be married. But after the pox disfigures her face, she flees in shame without telling her lover. Years later, as a reknowned Amsterdam courtesan who never goes out without her veil, Lucia is at the theater when she recognizes her long-lost fiancé, Giacomo Casanova; and she cannot resist the opportunity to encounter him again. Based on a woman who appeared briefly in Casanova's legendary diaries, Lucia emerges as a brilliant woman who becomes every bit his match. In *Lucia's Eyes* is an elegant and moving story of love denied and transformed.

The famous Venetian Don Juan, Giacomo Casanova, made love to 132 women and G about 300. G, a bachelor, is now retired from the world of sex adventures. He traveled the world having only one night affairs with women in different countries and cultures. He concentrated solely on sexually satisfying women by employing a broad range of personal skills which he describes in vivid detail. Interestingly enough, his amorous adventures began before our sexual revolution. He compares his wooing ways with women of all types- White, Black, Asian, Hispanic, beautiful, attractive and average to highly intelligent ones describing in detail how they reacted and surrendered to his variety of stimulating sexual rituals from domination to ménage à trois to drugs. He believes the authors of the *Kama Sutra* were amateurs! After his story ends, G, in a philosophic mood, muses about both modern sex in America and on the soon to come arrival of the first pansexual aphrodisiac.

In T L Swan's steamy third installment of the *Miles High Club*, Kate's hot new pen pal is a welcome distraction from her horrible boss. But nobody is as distracting as Elliot Miles...and he knows it. My favorite hobby is infuriating Elliot Miles. Just the sight of my boss's handsome face triggers my sarcasm. God knows how he earns his Casanova reputation--if a million women want him with his personality, what the heck am I doing wrong? Disgusted with my love life, I join a dating app under a fake name. I start chatting to a man named Edgar. He's not my type and lives on the other side of the world, but we hit off a friendship, laugh and confide in each other. But lately things are getting weird at work. Elliot's being...attentive. His eyes linger a little longer than they should, and there's a heat behind them that I haven't felt before. And then, in the shock of all shocks, he tells me that my vulnerability is appealing. But when was I vulnerable? Horror dawns...Has my boss been reading my emails to Edgar? Damn it, why did I use my work email? Oh no, does he know what I really think of him? I'd rather die than ever admit it. Or, even worse: is it possible that the man I loathe in real life is the man I'm falling for online?

Perfect for book lovers and foodies alike—a splendid cookbook featuring recipes inspired by classic works of literature and modern favorites Wake up to a perfect breakfast with Mrs. Dalby's Buttermilk Scones, courtesy of James Herriot's *All Things Bright and Beautiful* and Ichabod's Slapjacks, as featured in Washington Irving's *The Legend of Sleepy Hollow*. There's homey comfort food like Connie May's Tomato Pie, created with and inspired by Connie May Fowler (*Remembering Blue*); Thanksgiving Spinach Casserole (Elizabeth Berg's *Open House*); and Amish Chicken and Dumplings (Jodi Picoult's *Plain Truth*) . . . Sample salads, breads, and such soul-warming soups as Nearly-a-Meal Potato Soup (Terry Kay's *Shadow Song*); Mr. Casaubon's Chicken Noodle Soup (George Eliot's *Middlemarch*); and Mrs. Leibowitz's Lentil-Vegetable Soup (Frank McCourt's *Angela's Ashes*) . . . After relishing appetizers and entrees, there's a dazzling array of desserts, including Carrot Pudding (Charles Dickens's *A Christmas Carol*); Effie Belle's Coconut Cake (Olive Ann Burns's *Cold Sassy Tree*); and the kids will love C.S. Lewis's Turkish Delight from *The Lion, The Witch, and the Wardrobe*. Sprinkled throughout with marvelous anecdotes about writers and writing, *The Book Lover's Cookbook* is a culinary and literary delight, a browser's cornucopia of reading pleasure, and a true inspiration in the kitchen. Six years ago, twelve-year-old Marius lost his mother during the birth of his brother, Jean-Pierre, and her dying wish was that he watch over his brother. But because Jean-Pierre was born on Christmas Eve, villagers believe he is marked with the curse of the loup garou—the werewolf. Protecting Jean-Pierre has been a never-ending struggle as townsfolk constantly eye the boy with dread and suspicion. To make matters worse, his country is swept up in a hysterical campaign to find and destroy enemies of the Church, and now the villagers have made Jean-Pierre their target. Marius must defy the ruling institutions of the time to save his brother's life—and his own. Winner of a 2001 Minnesota Book Award, *Curse of a Winter Moon* is a harrowing story of one boy's fierce devotion to his family as he battles against prejudice and fear.
