When her best friend drags her to a Wiccan circle, Morgan experiences things she never has before; Morgan falls for Cal Blaine and learns more about the powers she has inherited; and Cal believes Morgan is a blood witch after her powers change.

Morgan and her best friend, Bree, are introduced to Wicca when a gorgeous senior named Cal invites them to join his new coven. Morgan falls for Cal immediately? and discovers that she has strong, inexplicable powers.

Cal, now Morgan ' s boyfriend, helps her accept the truth: Wicca is in Morgan ' s blood. As Morgan learns more about Wicca, she realizes that she needs to find out more about her parentage. The answers are there, but she doesn ' t know how to find them.

Morgan desperately searches for strength as her parents get angry with her for neglecting her schoolwork to pursue her magical studies, and as her coven-mates are persecuted for their beliefs.

Evil forces are after Morgan, forces connected with a dark wave of magick. And she knows something is wrong with the way Cal is acting, although she can't put her finger on it. Cal is definitely hiding something, but is he out to hurt her, as Hunter says?

In Blood Witch, Morgan continues to unravel her past and the story of her birth-mother as her relationship with Cal develops. But she can't seem to settle with him and the mysterious Hunter begins to feature more heavily into her life.

Twenty years ago, Morgan Rowlands was the most powerful young bloodwitch to come around in generations - making magickal discoveries, facing and conquering unimaginable evil, and surviving a

devastating betrayal. Her daughter, fifteen-year-old Moira, knows there's more to her mother's past than she's been told. And the secrets that lie in Morgan's heart could destroy Moira's entire world. When Moira learns two painful truths about her family, she begins to put the puzzle together - and realizes that someone close to her is in grave danger.

Hunter, Morgan, and Alisa. Together the three worked to defeat the most unspeakable evil known to witches. Now the danger they face is just as deadly. But to vanquish their new foe, they must first defeat the weaknesses within themselves.

When Morgan receives a shocking revelation about her family, she ' s thrown into a moral tailspin, believing that her essential nature is evil. Is her dark heritage too powerful to overcome?

A supernatural spin comes to classic teen issues, as Morgan and Hunter learn more about witchcraft and their own powers.
