Get ready for your neonatal intensive care nursing certification exam with the only review developed in collaboration with three leading nursing organizations! From AACN, AWHONN, and NANN, Certification and Core Review for Neonatal Intensive Care Nursing, 5th Edition prepares you for your examination with hundreds of high-quality study questions and realistic test simulation. Based on the latest test plans of the AACN's CCRN®-Neonatal exam and the NCC's Neonatal Intensive Care Nursing (RNC-NIC) exam, review questions cover the changes to the Core Curriculum and reflect the latest evidence, essential knowledge, and best practices. New to this edition are three new chapters and 225 completely new review questions. This powerful study tool offers unparalleled preparation for your certification exam! Endorsed by the three most authoritative associations in neonatal intensive care nursing: the American Association of Critical-Care Nurses (AACN); the Association of Women's Health, Obstetric, and Neonatal Nurses (AWHONN); and the National Association of Neonatal Nurses (NANN). Realistic exam practice is offered through 675 total questions that mirror the certification exam content, the multiple-choice question format, and the distribution of content. Answers are provided for each question, accompanied by rationales and references, to enhance your understanding of the material. Online flexibility allows you to organize review questions and test format by your preferred examination, either the AACN or NCC. Online exam simulation — included free with each new copy of the book — mirrors the test-taking experience with an interactive, timed format. Customized study lets you choose whether to work through online questions in Study Mode or Examination Mode. Online remediation includes rationales for both correct and incorrect answers, and in-book remediation provides rationales for correct answers. A compact, portable size makes the book easier to study anytime, anywhere. 225 NEW review questions include 75 in the book and 150 additional online questions on the Evolve companion website. Thoroughly UPDATED review content reflects AACN's latest CCRN®-Neonatal exam and the NCC's latest Neonatal Intensive Care Nursing (RNC-NIC) exam, information in Core Curriculum for Neonatal Intensive Care Nursing, 5th Edition, and the newest evidence-based guidelines for neonatal critical care. NEW! Three new chapters include Grieving Process, Quality Improvement, and Facilitation of Learning. NEW focus on culturally sensitive care is included in an expanded Family Integration and Culturally Sensitive Care chapter. UPDATED rationales in the Answer Key are referenced to the most recent literature and evidence-based guidelines. Compatibility with iPads, iPhones, and other mobile devices allows online exam practice that is easy and convenient.

The only exam review for the two leading neonatal critical-care nursing certification examinations, Certification and Core Review for Neonatal Intensive Care Nursing, 4th Edition prepares you for your exam with realistic questions and test simulation. A total of 600 questions and answers with rationales are provided. Developed by the AACN, AWHONN, and NANN, this powerful review tool offers excellent preparation for your certification exam! This title includes additional digital media when purchased in print format. For this digital book edition, media content is not included. Endorsed by the three most authoritative associations in neonatal intensive care nursing: the American Association of Critical-Care Nurses (AACN); the Association of Women's Health, Obstetric, and Neonatal Nurses (AWHONN); and the National Association of Neonatal Nurses (NANN). Answers are provided for each question, accompanied by rationales and references, to enhance your understanding of the material. Realistic exam practice is offered through questions that mirror the certification exam content, the multiple-choice question format, and the distribution of content. Updated questions reflect the information in Core Curriculum for Neonatal Intensive Care Nursing, 4th Edition, and the latest test plans by both AACN and NCC. Complete remediation includes rationales for both correct and incorrect answers. A compact, portable size makes the book easier to study anytime, anywhere.

The 7th edition of this powerful review tool helps you assess and build your knowledge of the information covered in the Core Curriculum for High Acuity, Progressive, and Critical Care Nursing - and achieve Adult CCRN or PCCN certification. Three 150-question exams mirror the style and content of the CCRN exam and PCCN exam. You can also access these same practice exams, along with 100 additional questions, on an accompanying Evolve website for interactive practice. Integration of the ACCN Synergy Model for Patient Care ensures that the needs or characteristics of patients and families influence and drive the characteristics or Developed in conjunction with and based on the AACN Core Curriculum for High Acuity, Progressive, and Critical Care Nursing, the Certification and Core Review is an ideal study companion to the Core Curriculum. Each exam mirrors the certification exam content, question format, and content distribution, giving you realistic practice for the Adult CCRN exam and PCCN exam. Answers are provided for each question, accompanied by rationales and references, to assist you in remediation. NEW! Three 150-item interactive exams on a secure Evolve site allow for access to interactive exam practice on any HTML5-compatible device, including desktop computers, iPhones, iPads, and Android devices. Exams address the complete range of vital content in critical care nursing and challenge your mastery of the essential knowledge base for Adult CCRN and PCCN certification. NEW and EXPANDED! 100 additional interactive questions on Evolve go beyond what can be found in the printed or electronic book, and provide even more practice for the Adult CCRN exam and PCCN exam. NEW and UPDATED! Content distribution matches that of the latest Adult CCRN exam and PCCN exam test blueprints, so you better know what to expect come exam day. NEW! Updated content throughout ensures currency, accuracy, and consistency with standardized guidelines and the latest evidence-based practice. UPDATED and NEW! All questions feature integration of the AACN Synergy Model, including both patient characteristics (resiliency, vulnerability, stability, complexity, resource availability, participation in care, participation in decision making, and predictability) and nurse characteristics (clinical judgment, advocacy/moral agency, caring practices, collaboration, systems thinking, response to diversity, facilitation of learning, and clinical inquiry). NEW! New behavioral and psychosocial content addresses new content now found on AACN's Adult CCRN exam and PCCN exam. NEW! Updated illustrations reflect current clinical procedures and assessment skills.

Prepare for your CPAN® or CAPA® exam with the only question-based review of perianesthesia nursing! Certification Review for Perianesthesia Nursing, 4th Edition is written by the American Society of PeriAnesthesia Nurses (ASPAN) — the leading organization for perianesthesia nursing education, research, and practice standards. A total of more than 650 multiple-choice review questions includes case study and clinical application questions, answers, detailed rationales, references to current literature, and an interactive online Review Tool that includes 175 additional questions to use for practice! Edited by Theresa Clifford and Denise O'Brien, this ASPAN review is the most effective way to prepare for your certification exam in hospital postanesthesia or ambulatory perianesthesia nursing. Exam-based organization of questions mirrors that of the CPAN and CAPA exams, covering the four core subject areas: physiological, cognitive-behavioral, safety, and patient advocacy. Case study and clinical application questions reflect the style of the questions on the actual certification exams, allowing you to prepare for these types of questions and practice clinical reasoning. Detailed rationales for each question help you understand why certain answer options are better than others. References for each question show where to find and verify the latest standards of practice. Essential perianesthesia nursing concepts are identified and tied to the corresponding chapter in the Core Curriculum. NEW! More than 650 brand-new review questions include answers and rationales, and reflect current evidence and standards of practice, so you can prepare effectively for the newest exam and deliver the best possible nursing care for patients who undergo sedation, analgesia, and anesthesia. NEW! An additional 175 review questions in the online Review Tool offer practice with timed test taking. UPDATED review content is organized to match the content of ASPAN's PeriAnesthesia Nursing Core Curriculum and incorporates the test blueprints of ABPANC (the American Board of Perianesthesia Nursing Certification).

The new 6th edition of Core Review for Critical Care Nursing helps readers assess and build their knowledge of critical care nursing as they prepare for the certification exam. The book consists of three 200-question sample examinations that provide extensive practice and review key content. An in-depth rationale, complete with references, is included for each question. Written under the authority of the American Association for Critical-Care Nurses (AACN), this book is an ideal study tool to facilitate preparation for critical care nursing certification. This title includes additional digital media when purchased in print format. For this digital book edition, media content is not included. Based on Core Curriculum for Critical Care Nursing, 6th Edition, the review is designed to follow along with the core text. Three separate sample examinations each address the complete range of important areas in critical care nursing and challenge readers' mastery of the essential knowledge base in the specialty. Answers are provided for each question, accompanied by rationales and references, to assist readers in building their knowledge. Each examination mirrors the certification examination content, multiple-choice question format, and content distribution, giving readers realistic practice for the examination. Contains a review of the synergy model, including Professional Care and Ethical Practice. Contains a review of the AHRQ and JCAHO evidence-based practice guidelines that are incorporated in Core Curriculum for Critical Care Nursing, 6th Ed.

This updated edition helps readers assess and build their knowledge of critical care nursing as they prepare for the certification exam.
