~~Chapter 1 The Group Work Tradition in Social Work Social group work is a very positive and optimistic way of working with people. It is truly empowering and affirming of people's strengths. In fact, the very act of forming a group is a statement of belief in people's strengths and in the contribution that each person can make in the others' lives. . (Kurland & Salmon, 199~~

~~This chapter introduces evidence-based group work (EBGW). It provides a definition and includes a discussion of the assumptions underlying EBGW. It describes how EBGW developed within the history of group work. EBGW is a four-stage process in which group workers formulate an answerable practice question, search for evidence, undertake a critical review of the evidence (with respect to research merit, impact, and applicability), which yields the best available evidence; and apply the evidence ...~~
