This program features enhance the easy-to-read text and eye-catching images that invite students to explore the history of the world and its people. Features : Exclusive! An all-new Reference Atlas from the National Geographic Society helps students make the important history-geography connection. Standardized Test Practice in every unit lets students practice skills and master test-taking strategies throughout the year. Primary Source Library, correlated to every unit, provides students with the opportunity to learn from journals, speeches, artifacts, and more. Every section and chapter review includes a Graphic Organizer to help students grasp the big ideas. The Chapter Assessment connects World History to other social studies disciplines so students can understand the interrelationships. Technology Skills, Geography Skills, and Critical Thinking Skills give students what they need to succeed in tomorrow's world.

Glencoe World History is a full-survey world history program authored by a world-renowned historian, Jackson Spielvogel, and the National Geographic Society. Experiencing world history and understanding its relevance to the modern world is the goal of this program. The program addresses the importance of motivating students and engaging them in meaningful learning - learning that links the past with issues confronting young people today. Glencoe World History addresses student learning on many levels and encourages the reader to become actively involved with the beautifully presented content.

World History: Patterns of Interaction © 2012 is a highly integrated, high school world history textbook program with enhanced HISTORY® curriculum that provides teachers with a practical and motivational approach to help students think critically and reflectively. Together, HMH & HISTORY® infuse social studies with streaming video and interactive features that bring content to life for students and help them make connections between the past and present. Meeting the needs of all learners is no easy task. This is why Houghton Mifflin Harcourt created World History: Patterns of Interaction. Designed to engage students with the narrative while integrating rich multimedia assets, the program brings content to life for students and enriches their understanding. - Publisher.

Published by OpenStax College, U.S. History covers the breadth of the chronological history of the United States and also provides the necessary depth to ensure the course is manageable for instructors and students alike. U.S. History is designed to meet the scope and sequence requirements of most courses. The authors introduce key forces and major developments that together form the American experience, with particular attention paid to considering issues of race, class and gender. The text provides a balanced approach to U.S. history, considering the people, events and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience).

Evaluate students' progress with the printed booklet of Chapter Tests and Lesson Quizzes. Preview online test questions or print for paper and pencil tests. Chapter tests include traditional and document-based question tests.

Once your child has completed his or her primary education, you'll have to seek curriculum for homeschool that covers History in greater detail. Your child is ready to face a bigger challenge when learning, and myWorld History is there to provide it. This middle school curriculum bundle breaks the barrier between History as a living thing and the subject as it's presented on paper. Not only will your child learn relevant dates over the course of the program, he or she will also experience the stories that make up the entirety of History. myWorld History provides you and your child with project-based activities and interesting tales that take you on a journey through time. Your child will get to read about other people who lived all over the world and in different time periods, helping the lesson resonate. With all the engaging content provided by myWorld History, your child will develop a strong knowledge of History and the cultures of which it is comprised. Ideally, such exposure to different cultures will help your child become more empathetic and a better critical thinker. Furthermore, each chapter of myWorld History kicks off with an Essential Question. This question guides your child through the material, causing him or her to analyze the lesson's content as he or she progress through the chapter. Your child will have to ask questions and search for answers while addressing the Essential Question. Stories, activities, games, the student journal and projects relate back to the Essential Question, the main idea of the chapter. The myWorld History curriculum for homeschooling is the next step after the myWorld Social Studies series and can be used before or after myWorld Geography. The Bundle includes the Student Edition, Student Journal, Student Journal Answer Key and Parent Guide materials. The content in each lifts History off the page to keep your child engaged in the learning process. myWorld History proves that homeschool is full of exciting experiences and invaluable lessons. For more information about the specific materials included in myWorld History, visit the Features and Benefits page. Take your child on a journey through time without leaving home. With innovative resources, project-based activities, and unprecedented support for all learners, myWorld History takes students beyond the printed page to actively experience the history of the world in which they live.
