All in all, Charming by Krystal Wade was a fun and fast fairy tale journey. The characters were fun and full of spirit, the setting was the perfect background for all the drama that unfolded, and the plot was entertaining to say the least.

the love of her life (don't gag) and raising three beautiful children in the gorgeous state of Virginia. They live just outside Washington, D.C., and every day she wakes up to find herself stuck in traffic trying to get there. The horrid commute gives Krystal plenty of time to zone out and think about her characters in full, brilliant details (she's a safe driver; don't worry).
