When the hunt for his lost friends leads Cole Randolph to the kingdom of Elloweer, he and new friends Mira, Twitch, and Jace team up with the resistance movement to search for Mira's sister, Honor, but enemies abound and Cole and Mira must use a new kind of magic to protect themselves.

Cole Randolph was just trying to have a fun time with his friends on Halloween (and maybe get to know Jenna Hunt a little better). But when he and his friends break into a spooky house with the scariest rep in town, it turns out to be the start of an adventure on a whole different level! As his friends are mysteriously sucked away into another realm, Cole dives in after them and finds himself in a magical place called The Outskirts. Made up of five kingdoms, The Outskirts lie between wakefulness and dreaming, reality and imagination, between life and death. It's an in-between place. And once you find your way to the Outskirts, it's very hard to leave...

Trapped in a world where magic is powerful and dreams are real, Cole's epic adventure comes to a close in book five of the New York Times bestselling "fanciful, action-packed adventure" series (Publishers Weekly, starred review), from the author of the Fablehaven and Beyonders series. Cole Randolph can barely remember what life was like back home in Arizona. It's hard to imagine there was a time he didn't wake up to daily threats and danger. But Cole is still determined to find a way home with his friends and to set things right in the Five Kingdoms before he leaves. That means traveling to the last of the kingdoms—Creon. It's a place where time itself can be manipulated, where reality can bend and change. On one last death-defying mission, Cole must use everything he has learned to face a villain with powers beyond anything he has seen before. The past, present, and future are all at stake in this epic conclusion to the bestselling Five Kingdoms series.

Cole Randolph ventures to a new kingdom as he continues his search for his friends, and also pursues his quest to mend what's gone awry with the magic in The Outskirts.
