I Googled buying the test bank for the book and a few sights came right up. On one sight, it would cost \$24.99, a reduction from \$34.99 (undoubtedly because the test bank is out there so supply exceeds new demand). I've known about this for a while and always get depressed when I find out students in my accounting ethics class bought the test ...

But test banks come with one major drawback: Students have found ways to access them. Now, with a quick and easy online search, test takers can anonymously read numerous test questions and, in some cases, can even see their actual exam ahead of time. While some students use test banks as study aids, others look up test questions intending to cheat.
