*Check Engine Codes  
P0420 P0430*

So your car or truck is running well, but that "check engine" light is on, with a code P0420 or P0430, and related "catalyst efficiency below threshold" codes. You like your car, so you take it to be looked at. You choke on the estimate of \$1400 or

# Get Free Check Engine Codes

more to replace the  
converter on your car.

## *Emissions Codes P0420 and P0430: Catalytic Converters ...*

The P0430 code's  
mirror image is P0420,  
which applies to the  
converter on bank 1. As  
was mentioned, bank 1  
and bank 2 simply refer  
to the different sides of  
the engine. It's also

# Get Free Check Engine Codes

worth noting that

engines with an inline or straight cylinder configuration only have one bank. One possible cause of the P030 code is a damaged oxygen sensor.

*P0430 Code: Catalyst System Efficiency Below Threshold ...*

Although modern OBD II technology has

# Get Free Check Engine Codes

simplified catalytic converter diagnostics, it's still important to understand the basics of catalytic converter operations when dealing with a P0420 or P0430 diagnostic trouble code (DTC). DTCs P0420/P0430 indicate that catalyst efficiency is below predetermined thresholds on cylinder banks 1 and 2,

# Get Free Check Engine Codes P0420 P0430 respectively.

## *Catalytic Converters: Diagnosing P0420 Or P0430 DTCs*

If you have installed an off-road h-pipe or x-pipe (no catalytic converters) or removed your catalytic converters for track use, your oxygen sensors will read a higher level of emissions which will

*P0430 Code- Keep that  
check engine light out -  
YouTube*

P0420 means that the efficiency of the catalytic converter is below the threshold.

The ECM uses two O2 sensors, one in the front and one in the back of the catalytic converter to measure the efficiency.

If the efficiency is low,

# Get Free Check Engine Codes

the P0420 code will be triggered. We receive a lot of messages from our customers about the P0420 code.

*P0420 Code [How to Fix it?] Meaning, Symptoms, Causes*

The Error code P0430 – efficiency below threshold bank is a DTC or a diagnostic trouble code. It is a check

# Get Free Check Engine Codes

**P0420 P0430**  
engine light code which indicates that the catalyst's system efficiency is less than the required threshold. In simple terms, it means that more pollution is added into the air than what was supposed to be because of your car.
