Marks on Later Chinese Porcelain. It is said, that the only rule that is really certain when it comes to Chinese reign marks, is that most of them are NOT from the period they say. Still the marks are something of a fingerprint of the potter and its time. If carefully studied they offer a great help in identifying the

China And English Antiques ... Pottery Marks

The earliest pottery marks found on Chinese pottery are from the Qin dynasty (BC248-207), the Han dynasty (BC206-AD220) and the Three Kingdoms Period (220-280). Marks found on Chinese ceramics are significantly different from those on European antique ceramics. In China porcelain marks or
