The Feuerzangenbowle is an immensely potent German Christmas beverage that is as much a feast for the taste buds as for the eyes. Rum with a high alcohol level is added generously to mulled wine, and the concoction is set in flames. On that note, to spend a Christmas Eve like a German, watch the cult movie Die Feuerzangenbowle (1944), which traces the hilarious deeds of a middle-aged man under ...

George H. Devol was the greatest riverboat gambler in the history of the Mississippi. Born in Ohio in 1829, he ran away from home and worked as a cabin boy at age ten. At fourteen he could stack a deck of cards. Over the years, he bilked soldiers, paymasters, cotton buyers, thieves, and businessmen alike. He fought more fights than anyone, and was never beaten. This is his story. Nobody was ever bored by it.

Returning to Brooklyn, where his magician-father disappeared years before, twelve-year-old Kingston learns that magic is real and that if he enters the Realm, he might get his father back.
