Civil Engineering Fe Exam Study

The Fundamentals of Engineering (FE) exam is generally your first step in the process to becoming a professional licensed engineer (P.E.). It is designed for recent graduates and students who are close to finishing an undergraduate engineering degree from an EAC/ABET-accredited program. The FE exam is a computer-based exam administered year-round at NCEES-approved Pearson VUE test centers.

NCEES FE exam information

Commit To Study 4 to 6 Months. Studying for the FE exam is like a part-time job. If you have been out of school for over 5 years, you should start studying 6 months in advance, but if you are currently in school or you’ve recently graduated, then you may only need to put in 4 months to get a passing grade. Each week, plan on committing at least 10 to 15 hours on studying for the FE exam. That’s about 1 ½ to 2 hours each day.

Pass the FE Exam: The Ultimate Guide | Civil Engineering ...

About the FE Civil Exam The FE Civil exam is a 6-hour Computer-Based exam. There are 110 questions on the exam, which can be answered with assistance from only the FE Reference Handbook. Those who take the FE Civil exam typically are striving to become Professional Civil Engineers.

So you have 5 hours and 20 minutes to answer 110 questions. You'll basically see 50 questions on general engineering in the morning and about 60 questions more civil specific in the afternoon. The exact topics on the exam and the breakdown of how many problems in each topic can be found on the NCEES website under their Civil FE specifications. Print that off and become intimately familiar with it.

Free FE Review Material | Civil Engineering Academy

The first Fundamentals of Engineering (FE) Exam was administered in 1965, but it wasn’t until 1996 that the National Council of Examiners for Engineering and Surveying (NCEES) decided to offer it in six discipline-specific modules: Chemical, Civil, Industrial, Electrical, Mechanical, and General Engineering, so at least now you only have to focus on the area you'll need to know about most. The organization made it even easier for you just two years ago when it decided that FE Exams would ...
