Cloth Lullaby I think is the most experimental of Arsanault's illustration, as she truly brings the concept of Bourgeois' weaving into the art and line itself. Some of the pages truly are breathtaking, and with some pages it truly is a waste to spend just a second looking over the page. The way she mixes indian ink and p

Louise Bourgeois (1911–2010) was a world-renowned modern artist noted for her sculptures made of wood, steel, stone, and cast rubber. Her most famous spider sculpture, Maman, stands more than 30 feet high. Just as spiders spin and repair their webs, Louise's own mother was a weaver of tapestries. Louise spent her childhood in France as an apprentice to her mother before she became a tapestry artist herself. She worked with fabric throughout her career, and this biographical picture book shows how Bourgeois's childhood experiences weaving with her loving, nurturing mother provided the inspiration for her

most famous works. With a beautifully nuanced and poetic story, this book stunningly captures the relationship between mother and daughter and illuminates how memories are woven into us all.

In this exquisite lullaby, the beauty and wonder of a northern winter night unfold, with images of a soft snowfall, the wild animals that appear in the garden, the twinkling stars, the gentle rhythm of the northern lights and the etchings of frost on the window pane. As the young child sleeps, wrapped in a downy blanket, a snowflake falls, and then another and another. The poem describes the forest of snow-covered pines, where a deer and fawn nibble a frozen apple, and a great gray owl swoops down with its feathers trailing through the snow. Two snowshoe hares scamper and play under the watchful eyes of a little fox, and a tiny mouse scurries in search of a midnight feast. When the snow clouds disappear, stars light up the sky, followed by the mystical shimmering of northern lights - all framed by the frost on the window. Jean E. Pendziwol's lyrical poem reflects a deep appreciation of the magic of a northern winter night where, even as a child slumbers, the world outside does not rest but continues its own natural rhythms. Isabelle Arsenault's spare, beautifully rendered illustrations, with their subtle but striking use of color, make us feel that we too are experiencing the enchantment of that northern night. They simultaneously evoke winter's nighttime life and the cozy warmth and security of a beloved child's sleep.

Colette can't find something to talk about with the new kids in the neighborhood...so she invents a pet! Her fib quickly escalates, and suddenly her parakeet is a larger-than-life world-traveler named Marie Antoinette. Have her new friends figured out her secret? What will they do? This charming story both clearly identifies the struggle of navigating a different experience, and demonstrates to kids a lovely and welcoming way to treat someone new in their community.

A stunning graphic novel from the award-winning creators of *Jane, the Fox and Me*. In this powerful new graphic novel from Fanny Britt and Isabelle Arsenault, we meet Louis, a young boy who shuttles between his alcoholic dad and his worried mom, and who, with the help of his best friend, tries to summon up the courage to speak to his true love, Billie. Louis's dad cries — Louis knows this because he spies on him. His dad misses the happy times when their family was together, just as Louis does. But as it is, he and his little brother, Truffle, have to travel back and forth between their dad's country house and their mom's city apartment, where she tries to hide her own tears. Thankfully, Louis has Truffle for company. Truffle loves James Brown lyrics, and when he isn't singing, he's asking endless questions. Louis also has his friend Boris, with whom he spots ghost cop cars and spies on the "silent queen," the love of his life, Billie. When Louis and Truffle go to their dad's for two weeks during the summer, their father seems to have stopped drinking. And when Truffle has a close call from a bee sting, their mother turns up and the reunited foursome spend several wonderful days in New York — until they reach the end of the road, again. A beautifully illustrated, true-to-life portrayal of just how complex family relationships can be, seen through the eyes of a wise, sensitive boy who manages to find his own way forward. When tall buildings and loud noise drown out the sounds of bees in the grass and birds in the sky, one soul cares enough to start over again and help nature thrive.

Maya's imagination sets the stage for her friends to act out her feminist play. Can she make room in her queendom for the will of the people? A funny picture book about leadership and fair play for fans of King Baby and Olivia. Maya is a bossy, burgeoning playwright and loves to have the kids in her Mile End neighborhood bring her scenes to life. Her latest work, about a feminist revolution, is almost ready for public performance. But as her actors begin to express their costume preferences, Maya quickly learns that their visions may not match hers . . . and as both Director and Queen, Maya demands obedience and loyalty in her queendom of equality! But she soon realizes -- with the help of her friends and subjects -- that absolute bossiness corrupts absolutely!

Louise Bourgeois is one of the greatest and most influential artists of our time. In a career spanning seven decades, from the 1940s until her death in 2010, she produced some of contemporary art's most enduring images, making sculptures, installations, writings and drawings which, in mining her own psyche, have entered the collective unconscious. Bourgeois's work is personal yet universal, rooted in the details of her own life, but reaching out to touch the lives of others. This exhibition of work on paper presents some of her most intimate work, both drawing and writing.

Curious minds are rewarded with curious answers in a fantastical bedtime book by Mac Barnett and Isabelle Arsenault. Why is the ocean blue? What is the rain? What happened to the dinosaurs? It might be time for bed, but one child is too full of questions about the world to go to sleep just yet. Little ones and their parents will be charmed and delighted as a patient father offers up increasingly creative responses to his child's nighttime wonderings. Any child who has ever asked "Why?" — and any parent who has attempted an explanation — will recognize themselves in this sweet storybook for dreamers who are looking for answers beyond "Just because."
