departments and in schools of coaching both in England and abroad, and now, while many other fine coaching books have added to the field of knowledge, by and large we all subscribe to a common set of principles.

## *Coaching for Performance: GROWing Human Potential and ...*

Coaching is more than a skill or a technique for individual and team development. Embedded in the process of ongoing communication and relationship building, coaching delivers practical, common sense approaches to developing people and services, and is a powerful way to unlock potential and create high performance.
