technology. Computers Are Your Future serves as a valuable computer technology reference tool without being overwhelming or intimidating.

~~Daley, Computers Are Your Future, Introductory | Pearson~~

One of the questions commonly asked during a job interview is, "What are your goals for the future?" This question is a good way for employers to determine if your career goals are a good fit for the company. Plus, it helps hiring managers make sure that you actually have some goals - in other words, your answer reveals whether or not you have ambition and some type of plan.
