"Why Conexiones? Welcome to the sixth edition of Conexiones: Comunicación y cultura! Since the very beginning we have worked to provide a complete intermediate program that brings a broad learner audience to a true intermediate level of proficiency. With each edition, we strive to provide continuity from first- to second-year Spanish with engaging and pedagogically sound materials. After completion of our program, when learners go to use Spanish in their work or personal lives, they will have developed confidence in the language and the ability to express themselves on topics relevant to the issues of our time. Why is Conexiones such an effective tool for language learning? Because it provides solutions to the most common challenges of language teaching: ? A solid yet flexible bridge from introductory to intermediate Spanish. Our program meets learners where they are, and allows instructors the flexibility of adapting lessons to varying needs and levels. Conexiones takes learners from speaking words and phrases to creating with language; from writing lists and short messages to expressing meaning in practical ways; from understanding of key words and cognates to understanding simple speech and texts. Our program guides learners to an intermediate high level of proficiency as defined by ACTFL's Proficiency Guidelines 2012"--

EXPLORACIONES transforms students into culturally competent Spanish speakers by providing learning strategies, systematic self-assessments, integration of the National Standards, and a focus on the practical purposes of language study. Created through a "student-tested, faculty-approved" review process with thousands of students and hundreds of faculty, this text is an engaging and accessible

It shows that once we understand the real causes, we can begin to turn to pioneering new solutions - ones that offer real hope.

Her story reflects the experiences common to many Indian communities in Latin America today. Rigoberta suffered gross injustice and hardship in her early life: her brother, father and mother were murdered by the Guatemalan military. She learned Spanish and turned to catechist work as an expression of political revolt as well as religious commitment. The anthropologist Elisabeth Burgos-Debray, herself a Latin American woman, conducted a series of interviews with Rigoberta Menchu. The result is a book unique in contemporary literature which records the detail of everyday Indian life. Rigoberta's gift for striking expression vividly conveys both the religious and superstitious beliefs of her community and her personal response to feminist and socialist ideas. Above all, these pages are illuminated by the enduring courage and passionate sense of justice of an extraordinary woman.

Experience Spanish: Un mundo sin límites, presents vocabulary and grammar in action through culture. With emphasis on the 5C's, the Experience Spanish program delivers dynamic opportunities for communicative practice in all course delivery formats built upon the following principles: Culture is core: Culture is infused throughout the program. The students' cultural experience and exposure is not limited to special cultural sections, but rather embedded in presentations as well as in vocabulary and grammar practice. The dedicated cultural sections are rich and varied: Entrada cultural, Expresiones artísticas, Notas culturales, Notas interdisciplinarias, Lectura cultural, Concurso de videoblogs, Conexiones culturales en vivo, and Conexiones culturales. These readings, videos, notes, and fine art presentations offer students extensive cultural perspectives and promote cross-cultural comparisons and connections. Language in action: Vocabulary in Experience Spanish is presented visually through

colorful, engaging illustrations, and put into action with personal and communicative activities. Grammar points are introduced with contextualized short dialogues or cultural readings that immediately illustrate the concepts in action, allowing students to experience the structures in context before focusing on the forms and rules.

Personalized experience: No two students are alike. Why should their learning paths be? LearnSmart uses revolutionary adaptive technology to build a learning experience unique to each student's individual needs. Students engage in targeted vocabulary and grammar practice so they are prepared to practice communication in the classroom. To further the personalized experience, we're excited to announce the interactive 3-D game, Practice Spanish: Study Abroad, that immerses students in a virtual study abroad experience in Colombia. Practice Spanish, accessible on laptops and mobile devices, allows students to practice real world language in a game environment that integrates culture, grammar, and vocabulary.

Experience Spanish everywhere: Connect is the only integrated learning system that empowers students by continuously adapting to deliver precisely what they need, when they need it, and how they need it, so that your class time is more engaging and effective. *Connect Spanish, including but not limited to the workbook/lab manual, LearnSmart, Practice Spanish: Study Abroad, the video program, and chat tools, is sold separately and does not come automatically with the purchase of the textbook.

Self-teaching guide to the grammar, pronunciation, and medical vocabulary of Spanish. Presented in a systematic and highly entertaining fashion, twelve lessons cover some of the most commonly encountered situations. These include the family clinic, the emergency room, appendicitis, the social chat, pregnancy, family planning, pelvic inflammatory disease and urinary tract infection, depression, children with asthma, patients with angina, explaining a venipuncture and a spinal tap, and patients with shortness of breath. Each lesson closes with a bilingual interview that includes vocabulary and grammar introduced in that lesson. A guide to the medical history and physical examination appears in English and Spanish in the appendix.
