"Simone takes you through the events, challenges, and trials that carried her from an early childhood in foster care to a coveted spot on the 2016 Olympic team" --

In *Courage to Soar*, the official autobiography from US Olympic gymnast Simone Biles, Simone presents the story of how she overcame early childhood challenges to become the most decorated US female gymnast and the only female gymnast to ever win three consecutive World Championship titles.

A lyrical picture book biography of Simone Biles, gymnastics champion and Olympic superstar. Before she was a record-breaking gymnast competing on the world stage, Simone Biles spent time in foster care as a young child. Nimble and boundlessly energetic, she cherished every playground and each new backyard. When she was six years old, Simone's family took shape in a different way. Her grandparents Ron and Nellie Biles adopted Simone and her sister Adria. Ron and Nellie became their parents. Simone was also introduced to gymnastics that same year, launching a lifelong passion fueled by remarkable talent, sacrifice, and the undying support of her family. From her athletic early childhood to the height of her success as an Olympic champion, *Flying High* is the story of the world's greatest gymnast from author Michelle Meadows and illustrator Ebony Glenn.

The Awakening of Malcolm X is a powerful narrative account of the activist's adolescent years in jail, written by his daughter Ilyasah Shabazz along with 2019 Coretta Scott King-John Steptoe award-winning author, Tiffany D. Jackson. No one can be at peace until he has his freedom. In Charlestown Prison, Malcolm Little struggles with the weight of his past. Plagued by nightmares, Malcolm drifts through days, unsure of his future. Slowly, he befriends other prisoners and writes to his family. He reads all the books in the prison library, joins the debate team and the Nation of Islam. Malcolm grapples with race, politics, religion, and justice in the 1940s. And as his time in jail comes to an end, he begins to awaken -- emerging from prison more than just Malcolm Little: Now, he is Malcolm X. Here is an intimate look at Malcolm X's young adult years. While this book chronologically follows X: A Novel, it can be read as a stand-alone historical novel that invites larger discussions on black power, prison reform, and civil rights.
