Driven 3 K Bromberg

From New York Times Best-Selling Author K. Bromberg comes the continuation of the Driven series... What happens when the one person you never expected suddenly happens to be the one you'll fight the hardest to keep? Colton stole my heart. He wasn't supposed to, and I sure as hell didn't want him to, but he crashed into my life, ignited feelings within me that I thought had died forever, and fueled a passion that I never knew could exist. Rylee fell out of that damn storage closet and into my life. Now I don't think I'll ever be the same. She's seen glimpses of the darkness within me, and

yet she's still here. Still fighting for me. She is without a doubt the saint, and I am most definitely the sinner. How is it the one thing neither of us wanted—neither of us anticipated that fateful night—has us fighting so hard to keep? He steals my breath, stops my heart, and brings me back to life again all in a split second of time. But how can I love a man who won't let me in? Who continually pushes me away to prevent me from seeing the damaged secrets in his past? My heart has fallen, but patience and forgiveness can only go so far. How can I desire a woman who

unnerves me, defies me, and forces me to see that in the deep, black abyss of my soul there's someone worthy of her love? A place and person I swore I'd never be again. Her selfless heart and sexy body deserve so much more than I'll ever be capable of giving her. I know I can't be what she needs, so why can't I just let her go? We are driven by need and fueled with desire, but is that enough for us to crash into love?

From New York Times Best-Selling Author K. Bromberg comes an unforgettable series about lust, love, redemption, and healing...

Our paths should never have crossed. Colton Donovan was arrogant, exuded that bad boy vibe, and embodied everything I never wanted. And yet all it took was one night, one hallway, and one stolen kiss for me to know I hated him and desired him instantly. My heart was healing. His soul was damaged. But with one bid, one little boy, and one carnival date, I couldn't walk away and he wouldn't let me in. This is our story. Our fight. Our perfectly imperfect love.

continues. Just when you

thought Colton and Rylee's story was over, it was only just beginning... One moment. Six years ago. The night she made the world around me so much more than just a blur. Now it's the catalyst that threatens to tear us apart. Our happily was supposed to be ever after. So why do I feel like it's slipping through my fingers? How can one moment, when our world seemed so right, resurface and cause our perfect life to spiral out of control? I can't lose her. She's my checkered flag.
