Criminal justice professionals often do not receive the training they need to recognize constitutional principles that apply to their everyday work. Constitutional Law for Criminal Justice offers a way to solve this problem by providing a comprehensive, well-organized, and up-to-date analysis of constitutional issues that affect criminal justice professionals. Constitutional Law for Criminal Justice makes complex concepts accessible to students at all levels of criminal justice education. The chapters begin with an outline and end with a summary. Key terms and concepts are defined in the glossary. Tables, figures, and charts are used to synthesize and simplify information. The result is an incomparably clear, student-friendly textbook that has remained a leader in criminal justice education for 50 years.

Constitutional principles are the foundation upon which substantive criminal law, criminal procedure law, and evidence laws rely. The concepts of due process, legality, specificity, notice, equality, and fairness are intrinsic to these three disciplines, and a firm understanding of their implications is necessary for a thorough comprehension of the

This innovative new textbook from an experienced public safety official, fire marshal, instructor, and career and volunteer fire fighter, presents a concise and comprehensive look at the full spectrum of fire investigation for first responders. The text meets and exceeds the National Fire Academy's Fire and Emergency Services Higher Education (FESHE) course objectives and requirements for Fire Investigator I (C0283). It enables fire fighters and fire officers to assist assigned fire investigators, to the fullest extent possible, with thorough discussions of important topics such as the legal system and spoliation, as well as evidence identification, collection, documentation, and preservation. The author emphasizes the role of the fire investigator in prevention, encouraging first responders to consider themselves seekers of truth who use real-world tools such as the National Fire Incident Reporting System (NFIRS) to make their communities safer. This textbook includes: Case Studies--Each chapter begins with a case study written by a subject matter expert with deep expertise in fire investigations and prevention. Each case study highlights actual events and lessons learned to emphasize the first responder's role in fire investigation. Key Features--The organization of each chapter is optimized with helpful features such as Learning Objectives, Case Studies, Boxed Tips, Summaries, Key Terms, Review Questions, and Discussion Questions designed to provoke thoughtful consideration and generate classroom debate. An emphasis on practical application and knowledge, including full-color photos and illustrations that illuminate critical components of investigation such as building construction, fire protection systems, burn and smoke patterns, and vehicle fires.

Phillips was born in Madison, Indiana. After graduating high school Phillips entered Asbury College following which he degreed from College of New Jersey in 1887. After completing his education, Phillips worked as a newspaper reporter in Cincinnati, Ohio before moving on to New York City where he was employed as a columnist and editor with the New York World until 1902. In his spare time, he wrote a novel, The Great God Success that was published in 1901. The book sold well enough that his royalty income was sufficient enough to allow him to work as a freelance journalist while dedicating himself to writing fiction. Writing articles for various prominent magazines, he began to develop a reputation as a competent investigative journalist. Considered a progressive, Phillips' novels often commented on social issues of the day and frequently chronicled events based on his real-life journalistic experiences.
