remain a very fertile
resource for students
preparing for the CSEC
Mathematics Exam at
the end of Form 5.

Students as early as

Form 2 right up to

Form 5 will find this book extremely useful.

In addition to the solutions themselves, the step-by-step approach to solving exam problems is repeatedly demonstrated on a typical sized sheet on which most students will do their maths exams. It is to be noted however that this book will be

totally useless if one attempts to use it as a replacement for the repetitious practice that must be undertaken in order to develop some level of competence in the subject matter of the CSEC Mathematics syllabus. Used as an aide to hard work and conscious effort, 'Basic Maths Solutions for CSEC' will be an
