Da Nang Diary is a riveting, authentic story that has never been told until now. Yarborough takes you into the cockpit as he flies his dangerous top secret missions in support of covert reconnaissance teams operating in Laos. This memoir is very personal, honest, and insightful---and one of the best books about FACs ever written.

Da Nang Diary: A Forward Air Controller's Gunsight View of ...

Da Nang Diary is the story of how, in Vietnam, an elite group of Air Force pilots fought a secret air war in Cessna 0-2 and OV-10 Bronco prop planes - flying as low as they could get. The eyes and ears of the fast-moving jets who rained death and destruction down on enemy positions, the forward air controller made an art form out of an air strike - knowing the targets, knowing where friendly troops were, and reacting with split-second, life-and-death decisions as a battle unfolded.
