The seductive new novel in Vina Jackson's red-hot Eighty Days series, featuring new protagonist Lily in a tantalizing tale of love, longing, and self-discovery Lily always knew there was something missing from her life--a path yet to be taken and deep desires waiting to be explored. Though she finds release in her love of music, Lily longs to rebel against the staid direction of her life and discover what it is she truly wants. Following her days as a student in Brighton, Lily moves to London with her best friend, the seductive, audacious Liana, who introduces her to an exciting new world of passion and adventure. Soon, Lily meets Leonard, a man with whom she feels an instant connection; Dagur, the gorgeous drummer of a world-renowned rock b? celebrated photographer Grayson; and Grayson's enigmatic partner, She. All of these characters contribute to Lily's sexual self-discovery as a femme. Despite living life to the fullest and embracing each new experience, Lily knows she has yet to find what she's been missing. Will Lily finally be able to accept the woman she really is? And has the thing she's been searching for been right in front of her all along?
