Daily life and social customs. In comparison with the immediate postwar era, the French now devote far more time to leisure and cultural pursuits, largely as a result of a shorter workweek, more years spent in education, and greater affluence. The increasing emphasis on home entertainment provided by television, stereo, and personal computers has not reduced cinema or theatre attendance.

*Beyond Bach: Music and Everyday Life in the Eighteenth Century*. Reverence for J. S. Bach's music and its towering presence in our cultural memory have long affected how people hear his works. In his own time, however, Bach stood as just another figure among a number of composers, many of them more popular with the music-loving public. Eschewing the great composer style of music history, Andrew Talle takes us on a journey that looks at how ordinary people made music in Bach's Germany.
