### Theater Books For Actors

Walking over a bridge after a family trip to the lake, in Folsom, Calif. Our daughter Abigail had to stop and get a picture showing how she feels about America. We are a couple of proud parents!

### America Together: Uplifting images from across the country

Megan and MGK's whirlwind relationship began last year while filming Randall Emmett's crime thriller, *Midnight In The Switchgrass*, with Bruce Willis, Emile Hirsch and Lukas Haas in Puerto Rico.

While on spring break in Aruba, Anna is accused of her best friend's death and must stand trial for murder in a foreign country.

Destiny Weller and her twin sister, Livvy, return from their summer vacation with an overpowering thirst — an inhuman desire to drink blood. Have they turned into vampires? How will they keep their horrifying secret from their family and friends? And can they find a way to become human again ... before it's too late?

It all comes down to this. Oliver, Ethan, and I. Three teens venture into an abandoned lake house one night. Hours later, only two emerge from the burning wreckage. Chloe drags one Reznick brother to safety, unconscious and bleeding. The other is left to burn, dead in the fire. But which brother survives? And is his death a tragic accident? Desperate self-defense? Or murder . . . ? Chloe is the only one with the answers. As

the fire rages, and police and parents demand the truth, she struggles to piece the story together - a story of jealousy, twisted passion and the darkness that lurks behind even the most beautiful faces . . . Praise for *Dangerous Girls*: "The best teen thriller I've ever read." Wondrous Reads "I haven't wanted to talk about a book this much since *Gone Girl*" [goodreads.com](https://www.goodreads.com)

For fans of the New York Times bestseller *One of Us Is Lying* comes a page-turning crime novel with a shocking twist, inspired by the Amanda Knox and Natalee Holloway cases. Friends for life. Or death. Spring break. Aruba. Swimming, sunshine, and golden beaches. It was supposed to be the best time of Anna's life. Paradise. But then the unthinkable happens. Anna's best friend is found brutally murdered. And when the local police begin to investigate the gruesome crime, suspicion falls on one person—Anna. They think she's dangerous, and they're determined to prove her guilt. With the police and media sparking a witch-hunt against her, Anna is running out of time to prove her innocence. But as she digs deeper into her friend's final moments, she finds a tangled web of secrets, lies and betrayal. Will she clear her name in time? And when the truth is finally revealed, it's more shocking than anyone could have imagined...

Charlotte Brontë's *Jane Eyre* retold against the backdrop of San Francisco's most fabulous—and dangerous—elites. After losing her parents in a tragic accident, surfer girl Janie Mason trades the sunny beaches of Hawaii for the cold fog of San Francisco and new guardians—the Rochesters—that she's never even met. Janie feels hopelessly out of place in their world of Napa weekends, fancy cotillions, and chauffeurs. The only person she can relate to is Daniel, a fellow surfer. Meeting him makes Janie feel like things might be looking up. Still, something isn't right in the Rochester mansion. There are noises—screams—coming from the attic that everyone else claims they can't hear. Then John, the black sheep of the family, returns after getting kicked out of yet another boarding school. Soon Janie finds herself torn between devil-may-care John and fiercely loyal Daniel. Just when she thinks her life can't get any more complicated, she learns the truth about why the Rochesters took her in. They want something from Janie, and she's about to see just how far they'll go to get it.

The truth won't let her go. Sophie Winters nearly died. Twice. The first time, she's fourteen, and escapes a near-fatal car accident with scars, a bum leg, and an addiction to Oxy that'll take years to kick. The second time, she's seventeen, and it's no accident. Sophie and her best friend Mina are confronted by a masked man in the woods. Sophie survives, but Mina is not so lucky. When the cops deem Mina's murder a drug deal gone wrong, casting partial blame on Sophie, no one will believe the truth: Sophie has been clean for months, and it was Mina who led her into the woods that night for a meeting shrouded in mystery. After a forced stint in rehab, Sophie returns home to a chilly new reality. Mina's brother won't speak to her, her parents fear she'll relapse, old friends have become enemies, and Sophie has to learn how to live without her other half. To make matters worse, no one is looking in the right places and Sophie must search for Mina's murderer on her own. But with every step, Sophie comes closer to revealing all: about herself, about Mina---and about the secret they shared.

Since sixteen-year-old Riley Strout lost her mother two years ago, her survival has depended on the quirky little family formed from a grief support group at school. Jay, Kate, and Noah understand her pain; each lost a loved one. The four have stuck together in spite of their differences, united by tragedies only they understand. When Riley sees her mother shopping in a grocery store, she fears she is suffering from some sort of posttraumatic stress episode--until Jay and Kate report similar visions. Noah is the only one who hasn't shared their experience. He withdraws from the others, skeptical and distant, and then suddenly disappears. Riley fears the worst. As she, Jay, and Kay frantically search for their missing friend, they are drawn into the mystery surrounding a famous relic that belonged to Jay's father--something that may contain clues about the afterlife. And in reaching for the ones who are gone, Riley uncovers hidden truths about those she hasn't yet lost.

Underneath Everything is a seductive, gorgeously written debut about two girls bound by an obsessive and toxic friendship, perfect for fans of Lauren Oliver and Courtney Summers. Mattie shouldn't be at the bonfire. She should be finding new maps for her collection, hanging out with Kris, and steering clear of almost everyone else, especially Jolene. After all, Mattie and Kris dropped off the social scene the summer after sophomore year for a reason. But now Mattie is a senior, and she's sick of missing things. So here she is. And there's Jolene: Beautiful. Captivating. Just like the stories she wove. Mattie would know—she used to star in them. She and Jolene were best friends. Mattie has the scar on her palm to prove it, and Jolene has everything else, including Hudson. But when Mattie runs into Hudson and gets a glimpse of what could have been, she decides to take it all back: the boyfriend, the friends, the life she was supposed to live. Problem is, Mattie can't figure out where Jolene's life ends and hers begins. Because there's something Mattie hasn't told anyone: She walked away from Jolene over a year ago, but she never really left.

Sarah and Brianna have always been friends, and it's always gone like this: guys talk to Sarah in order to get closer to Brianna. So even though Sarah met Ryan first, she's not surprised that he ends up with Brianna (even though Sarah has a massive crush on him). The three of them hang out, and Sarah and Ryan's friendship grows until one night an innocent exchange between them leads to a moment that makes Sarah realize that Ryan might be interested in her after all. But if there's one unwritten rule, it's this: you don't mess around with a friend's boyfriend. So Sarah tries to resist temptation. But with the three of them thrown together more and more, tension builds between Sarah and Ryan, and when they find themselves alone together at one point, they realize they just can't fight how they feel anymore....

Previously published under the title Boy Nobody They needed the perfect assassin. Boy Nobody is the perennial new kid in school, the one few notice and nobody thinks much about. He shows up in a new high school in a new town under a new name, makes a few friends and doesn't stay long. Just long enough for someone to die -- of "natural causes." Mission accomplished, Boy Nobody disappears, moving on to the next target. But when The Program assigns him to the mayor of New York City, things change. Somewhere deep inside, Boy Nobody is somebody: the kid he once was; the teen who wants normal things, like a real home and a girlfriend; a young man who wants out. And who just might want those things badly enough to sabotage The Program's mission. In this action-packed series debut, author Allen Zadoff pens a page-turning thriller that is as thought-provoking as it is gripping, introducing an utterly original and unforgettable antihero.
