Create a trail that is full of love. This means that you are going to leave a trail of items that will let him know that he is in for a surprise. This may be something that men usually do for women as one of the usual date night ideas, but there is no reason why you should not do it for your man. Leave a trail of rose petals or a few candles (just make sure you do not burn down your home), and allow your man to find you in bed.
