By David Pawson M.A. B.Sc. May be used as a study aid for groups or personal use in conjunction with the Book, CD or DVD of the same title. 1. Born Again “ We need to give new believers a proper start in life. (The way we begin is so important.) ” Must use New Testament language, this leads to New Testament thinking.

Consecutive polygamy (as many husbands or wives as you like but only one at a time) is now an accepted norm in contemporary society. Hardly surprising, since the social, legal, moral and financial restraints holding marriages together for a lifetime have been steadily eroded in a relativist age where anything goes. What is surprising is that divorce and remarriage are becoming as common inside the church as outside, even among Christian leaders and especially in the Evangelical stream. Believers have been outspoken about such issues as abortion and homosexuality though their Lord Jesus said nothing about either. He did say quite a lot about the subject of this book but there is either a reluctance to take his teaching at face value or an eagerness to enlarge his “ exception ” until it becomes the rule. This volume primarily appeals to those for whom the Bible is the final authority in all matters of belief and behaviour, especially those who preach to, teach and counsel others. The author believes that the church should be leading the world uphill rather than following the world downhill. David Pawson has a worldwide teaching ministry, particularly for church leaders. He is known to many through Christian broadcasting and is the author of numerous books.

David Pawson presents a unique overview of both the Old and New Testaments.

As a history book the Bible is unique, telling us about the future as well as the past. To become obsessed with either is to evade life ‘ s challenges. Both perspectives are needed to live ‘ over the circumstances ‘ of the present. The book of Revelation focuses on the future and can produce two reactions among Christians - some cannot get into it and others cannot get out of it!! We need a more balanced view of its significance. After all, it is the only book in the whole Bible to which God has attached a special blessing and an awful curse. It was written for ordinary people under extraordinary pressure. Suffering is the key to its understanding. It is a manual for martyrdom. As history draws to a close, all Christians need its message of warning and encouragement.

Christians everywhere await Christ’s return. Will he come to the whole world or just one place? Soon and suddenly or after clear signs? What can he achieve by coming back here and how long will it take? Few theologians speak with such clarity and uncompromising biblical faithfulness as David Pawson. Based on a new approach to the intrpretation of the book of Revelation, Pawson here discusses in detail the controversial and misunderstood subject of the Rapture and uncovers the true significance of the Millennium. This popular and highly topical book is being re-issued with a striking new cover.

A unique overview of both the Old and New Testaments, from a widely respected evangelical speaker and writer. Unlocking the Bible opens up the word of God in a fresh and powerful way. Avoiding the small detail of verse by verse studies, it sets out the epic story of God and his people in Israel. The culture, historical background and people are introduced and the teaching applied to the modern world. Eight volumes have been brought into one compact and easy to use guide to cover both the Old and the New testaments in one massive omnibus edition. Old Testament: “ The Maker’s Instructions - The five books of law “ A Land and A Kingdom - Joshua, Judges, Ruth, 1&2 Samuel, 1&2 Kings \* Poems of Worship and Wisdom - Psalms, Song of Solomon, proverbs, Ecclesiastes, Job \* Decline and Fall of an Empire - Isaiiah, Jeremiah and other prophets \* The Struggle to Survive - Chronicles and prophets of exile New Testament: “ The Hinge of History - Mathew, Mark, Luke, John and acts \* The Thirteenth Apostle - Paul and his letters “ Through Suffering to Glory - Revelation, Hebrews, and the letters of James, Peter and Jude

The author writes: John 3:16 is often referred to as ‘the gospel in a nutshell’. I believe it is one of the most mistranslated verses in the Bible. Like most Christians I totally misunderstood the verse. So I am warning you now that I may spoil John 3:16 for you for the rest of your life. But I hope that this book will also give you the true meaning of what is a wonderful message, and a very important one, especially for Christians.

This new book covers the following themes - Why do People Seek the Holy Spirit? - The Holy Spirit in the Old Testament - The Holy Spirit in the New Testament (an Overview, and the Holy Spirit in: the Gospels; John; Acts; Epistles; Revelation) - The Holy Spirit in History

A thoroughly readable book offering a condensed and well-illustrated survey of basic Christian truths.

From the Foreword by Elisabeth Elliott: "A simple, sane, serious treatment of the subject by a man who loves God, respects women, and takes the inspiration of Scripture and the integrity of the apostles for granted."
