In November 2007, an opera based on the novel premiered in Rotterdam, with an English libretto by Arthur Japin and music by the British composer Jonathan Dove. His second book, De droom van de leeuw (2002), is a novelized version of his relationship with the Dutch actress and novelist Rosita Steenbeek in Rome , where Steenbeek became the last lover of the Italian director Federico Fellini .

Texas 1836 - een groep jonge Comanche-indianen overvalt het fort van de pioniersfamilie Parker. Granny, de moeder van het gezin, moet toezien hoe haar kinderen en kleinkinderen worden ontvoerd. Moeder Granny is de enige overlevende die achterblijft. Veertig jaar later krijgt de dan hoogbejaarde Granny bezoek van Quannah, de aanvoerder van de door haar zo gehate Comanche. Hij is op weg om zich over te geven en zijn verslagen volk voor altijd in het reservaat te leiden. Hiermee wordt, na bijna vierhonderd jaar, de onderwerping van de oorspronkelijke bewoners van Amerika een feit. De overgave vertelt het aangrijpende en onvoorstelbare leven van een vrouw die in het gevecht om haar kinderen en kleinkinderen uiteindelijk het machtigste wapen moet leren hanteren: vergeving.

Lucia works as a servant girl in Italy and is engaged to be married. But after the pox disfigures her face, she flees in shame without telling her lover. Years later, as a reknowned Amsterdam courtesan who never goes out without her veil, Lucia is at the theater when she recognizes her long-lost fiancé, Giacomo Casanova; and she cannot resist the opportunity to encounter him again. Based on a woman who appeared briefly in Casanova's legendary diaries, Lucia emerges as a brilliant woman who becomes every bit his match. In Lucia's Eyes is an elegant and moving story of love denied and transformed.

"The first ten years of my life I was not black." Thus begins this startlingly eloquent and beautiful tale based on the true story of Kwasi Boachi, a 19th-century African prince who was sent with his cousin, Kwame, to be raised in Holland as a guest of the royal family. Narrated by Kwasi himself, the story movingly portrays the perplexing dichotomy of the cousins' situation: black men of royal ancestry, they are subject to insidious bigotry even as they enjoy status among Europe's highest echelons. As their lives wind down different paths—Kwame back to Africa where he enlists in the Dutch army, Kwasi to an Indonesian coffee plantation where success remains mysteriously elusive—they become aware of a terrible truth that lies at the heart of their experiences. Vivid, subtle, poignant and profound, The Two Hearts of Kwasi Boachi is an exquisite masterpiece of story and craft, a heartrending work that places Arthur Japin on a shelf that includes Joseph Conrad, J.M. Coetzee, Kazuo Ishiguro and Nadine Gordimer.

Het leven van een oude 19e-eeuwse Amerikaanse vrouw is getekend door een overval op haar pioniersfamilie door Indianen

Het leven van een oude Amerikaanse vrouw in het 19e eeuwse Texas is getekend door een overval op haar pioniersfamilie door indianen.

Based on a true story, Arthur Japin's new novel is a tale of consuming love and artistic creation that reimagines the last romance of the legendary filmmaker Federico Fellini. In Director's Cut we enter the mind of Snaporaz, the lion of Italian cinema, as he slips into a coma in his final days. Having always drawn inspiration from the world of his dreams, he welcomes the chance to take account of his life and, in particular, his most recent love affair, with a beautiful but tempestuous young actress called Gala. Here is the story as Snaporaz tells it. Lured by the glamour of Rome, Gala and her boyfriend, Maxim, an actor as well, are hoping to be discovered when they manage the impossible: entrée to the studio of the great master. Despite an age difference of four decades, Gala soon becomes Snaporaz's mistress, leaving Maxim, guardian of her secrets and her fragile health, to be an anxious and helpless observer of her physical and spiritual decline. As Gala becomes increasingly dependent on Snaporaz's attentions, her desperation never to disappoint him leads her down a reckless path to anorexia and prostitution before the one true bond in her life is restored. Snaporaz's intoxicatingly baroque—Felliniesque—account of the affair slyly challenges us again and again to ask what is dream and what is reality, and to conclude that the difference is irrelevant when such a genius immerses himself in his most natural element: the imagination. A dazzling tale from one of Europe's most celebrated writers.

Rudolf leaves his comfortable origins in Delft by ship for Java to help run the family's estates there. He moves from plantation to plantation, attempting to understand the ways of the local peoples, their version of Islam and their relationship to their land. On a visit to the capital, Jakarta, he falls in love with a teenage girl, Jenny, who he courts surreptitiously via his sister, with grave consequences for the reality of their relationships. Eventually they marry, and make a hard colonist-couple's life theirs, bear, lose and raise children, before Jenny on her visit to the home country discovers all the comforts of which she has been deprived in Java. Back at the plantation homestead, as the back-breaking work of establishing and maintaining business takes its toll on Rudolf, Jenny becomes estranged from him, and the bitter resentments of relatives eat at her until a terrible solution is achieved.
