In a fairy tale world filled with knights, wizards, and dragons and the like, a young princess named Cimorene grows tired of her life at the castle, and is increasingly fed up with everyone deciding what her life should be like. So one day, she finally runs away and willingly lets herself be captured by a group of dragons so she can live with them.

Dealing with Dragons: The Enchanted Forest Chronicles ...

So bored that she runs away to live with a dragon. And not just any dragon, but Kazul--one of the most powerful and dangerous dragons arounds. Of course, Cimorene has a way of hooking up with dangerous characters, and soon she's coping with a witch, a jinn, a death-dealing talking bird, a stone prince, and some very oily wizards.

Enchanted Forest Chronicles Ser.: Dealing with Dragons ...

Dealing with Dragons is a young adult fantasy novel written by Patricia C. Wrede, and is the first book in the Enchanted Forest Chronicles series. The novel chronicles the adventures of the princess Cimorene, who escapes her tediously ordinary family to become a dragon's princess. It received the 1991 Minnesota Book Award for Fantasy and Science Fiction.

Dealing with Dragons - Wikipedia

Dealing With Dragons was a very fun read, and if it isn't a classic yet, it ought to be. I quite enjoyed following Cimorene in her interactions with dragons, wizards, and unwelcome rescuers- particularly as Cimorene, unlike many similar characters in more modern books, isn't rebellious, only practical and possessing a good deal more common sense than a great many of the people around her.

Dealing with Dragons by Patricia C. Wrede

That's the concept of "Dealing With Dragons," a clever little fantasy that tells its own quirky story while cleverly lampooning the tropes of high fantasy and fairy tales. A lot of the charm comes from Patricia Wrede's humorous dialogue ("Oh bother!") and the cliché-busting character of Cimorene, who just wants to be free to pursue her love of unprincessy things like cooking and magic.

Dealing with Dragons: The Enchanted Forest Chronicles ...

4 volumes of novels and 1 short story (Utensile Strength) set in and around The Enchanted Forest - a humorous and fantastic story with genre-savvy characters. Book 1 Dealing with Dragons

Enchanted Forest Chronicles Series by Patricia C. Wrede

The Enchanted Forest Chronicles is a series of four young adult fantasy novels by Patricia C. Wrede titled Dealing with Dragons, Searching for Dragons, Calling on Dragons, and Talking to Dragons. Additionally, the Book of Enchantments includes one short story titled Utensile Strength and also includes a short story titled The Princess, the Cat, and the Unicorn which takes place in the Enchanted Forest universe, but does not involve any of the familiar characters. Patricia C. Wrede does "hope" to

The Enchanted Forest Chronicles: [Boxed Set] by Patricia C ...

These books owe a lot to the Oz books and the "Fractured Fairy Tales" segment of the old "Rocky and Bullwinkle" cartoons, and they were great fun to write. Dealing with Dragons began as a short story, "The Improper Princess," and was expanded to novel length at the insistence of Jane Yolen, my editor at Harcourt.

The Enchanted Forest Chronicles – Patricia C. Wrede

In an attempt to escape marriage to the handsome (and dim-witted) Prince Therandil, Princess Cimorene follows the directions of a frog and winds up as the princess of the dragon Kazul. As Kazul's princess, she learned a good deal of Latin, cooking, and even some dragon magic. Her main job was to cook and clean for Kazul.

Add one powerful, fascinating, dangerous dragon. Princess Cimerone has never met anyone (or anything) like the dragon Kazul. But then, she's never met a witch, a jinn, a death-dealing talking bird or a stone prince either. Princess Cimerone ran away to find some excitement. She's found plenty.

Bored with traditional palace life, Princess Cimorene travels to the Mountains of Morning where she is befriended by a group of powerful dragons and joins in their struggle to protect their kingdom from being taken over by disreputable wizards.

Bored with traditional palace life, a princess goes off to live with a group of dragons and soon becomes involved with fighting against some disreputable wizards who want to steal away the dragons' kingdom.

Meet the princess who rescues herself and the female dragon who would be king in this first fantasy adventure in the Enchanted Forest Chronicles. The traditional duties of a princess fail to please Cimorene, the daughter of a very proper king. She is quite sure that there's more to the world than curtsying and courting. And what she finds in her chosen career as a dragon's princess is sometimes more than she can handle. But fear not! Our intrepid heroine has just what it takes to keep her dragon, Kazul, safe and happy, while learning to fireproof herself, organize the treasure trove, and stay free from the clutches of pesky princes. This updated edition features a new introduction by the author. "The story is full of excitement, sly references to the staples of fantasy and fairy tales, and good humor. Cimorene is of a sisterhood that includes Menolly, the dragonsinger of Anne McCaffrey's *Dragonsong*; and Avi's Morwenna of *Bright Shadow*, but Wrede's delightful voice is all her own."—School Library Journal (starred review). "What a charmer! A decidedly diverting novel with plenty of action and . . . laugh-out-loud reading pleasure."—Booklist (starred review) "Smoothly written and ingenious fantasy. Both Cimorene and her dragon are firmly drawn, tough-minded females who refuse to conform to stereotypes (being female doesn't prevent a dragon from becoming king). The touch of feminist persuasion only adds to the story's charm."—Kirkus Reviews "This was a delightful read, in every sense."—SFF Book Reviews

After many years of hiding, Queen Cimorene sends her sixteen-year-old son, Daystar, into the Enchanted Forest with the kingdom's sword to once again stop the evil wizards' magic.

Now the wife of King Mendanbar and queen of the Enchanted Forest, Cimorene turns to Morwen, Telemain, and Kazul for help when troublesome wizards begin once again to invade the forest and soak up its special magic.

Princess Cimorene enlists the help of Mendanbar, King of the Enchanted Forest, to join her quest to save the kidnapped king of the dragons Kazul.
