If I can summarise Caputo (deconstruction in a nutshell in a nutshell...), deconstruction is about eyeing the contradictions and gaps (différence (s)) within a text. It is an invitation to push against a text's limits, seeking the paradoxical or tangential within it in order to draw out fresh inferences, fresh meanings from it.

By showing that the paradoxical 'deep structure' of Jesus' most radical teachings survives the Death of God and the deconstruction of metaphysics in twentieth-century continental philosophy, this book aims to reconstruct the original teachings of Jesus in a way that can begin a new conversation on what it means to be a Christian in a post-Christian world, while drawing on a remarkable range of supporting material, including John D. Caputo's award-winning theological appropriation of Derrida ...

DECONSTRUCTION IN A NUTSHELL contains a series of questions to and answers by Jacques Derrida at the inauguration of Villanova's doctoral program in philosophy a few years ago. Why it is for the most part Catholic schools that are willing to teach any sort of innovative philosophy in the Anglo world I'm not entirely sure.

Deconstruction in a Nutshell: A Conversation with Jacques ...
Deconstruction in a Nutshell: A Conversation with Jacques Derrida. Responding to questions put to him at a Roundtable held at Villanova University in 1994, Jacques Derrida leads the reader through an illuminating discussion of the central themes of deconstruction. Speaking in English and extemporaneously, Derrida takes up with unusual clarity and great eloquence such topics as the task of philosophy, the Greeks, justice, responsibility, the gift, the community, the distinction between the ...

Deconstruction in a Nutshell: A Conversation with Jacques ...
Deconstruction is not a process to be externally 'forced' upon a subject, but is rather a naturally unfolding, subjective event, apparently with no beginning or obvious end. It is not a theory as such, although it has suffered from this malady in modern times.
