"The Gingerbread Man and his classmates spread holiday cheer by delivering gifts and thank yous to the people of their town"--

In 1967, Canada celebrated the 100th anniversary of its founding with a spectacular party, and the whole world was invited. Montreal's Expo 67 was the first world's fair held in Canada, and it was a huge success, attracting over 50 million visitors. The 1,000-acre site was built on two man-made islands in the St. Lawrence River and incorporated 90 futuristic pavilions created by some of the world's greatest architects and designers. Over 60 countries were represented, along with many private, corporate and thematic pavilions, all brought together under the theme "Man and his World." With performers and entertainers of all varieties, restaurants, cultural attractions, exhibitions and a world-class amusement park, Expo 67 was literally the party of the century, exceeding all expectations.

Text of the Agreement (under the Yukon Umbrella Final Agreement) between the Tlingit Indians of the Teslin area of southern Yukon, on self government, further to Chapter 24 of the Final Agreement.

One of the most widely used series of methods for individual or like-instrument class instruction. Using a very well-rounded approach including scales, arpeggios, technical studies, studies for musicianship, articulation studies, solos, duets, and studies devoted to the special needs of each instrument, this series provides a fantastic wealth of material for all student musicians.

Relates the history of the tractor and shows the changes in design that have resulted in the diesel-powered giants of today.

Tractors of the World is a comprehensive guide to more than 220 of the best-known tractors produced throughout the world over the last 120 years. It is illustrated with more than 400 color and black-and-white photographs and artwork; cutaway illustrations; and comprehensive specifications give technical and engineering information.
