Why are Hindus so ritualistic? Why do they worship idols? Were Hindus always casteist? Are Hindus supposed to be vegetarian? Why is a Hindu prayer different from a Muslim or Christian prayer? Did the arrival of Muslim invaders a thousand years ago destroy Hindu culture? Answering key questions on Hindu philosophy and associated Indian history in simple, lucid, engaging ways, and exploring the often curious customs and beliefs that are an intrinsic part of the Hindu faith, Devdutt Pattanaik's latest book is a treasure house of information on the complex tenets of Hinduism. For many a curious reader, *Faith: 40 Insights into Hinduism* will prove to be a delightful and eye-opening introduction to the intricacies of one of the world's most practiced religions.

What does the Biblical story of Nathan and David say about effective communication skills? How do you identify the Raja Bhoj, the Gangu Teli and the Shekchilli in your office? What is the corporate equivalent of an Ashwamedha yajna? Drawing from sources as diverse as the Mahabharata and the Bible, the Vikram-Betal stories, the Iliad and the Odyssey, Islamic tenets, the tales of rishis and kings, and fables from around the world, Devdutt Pattanaik, India's leading mythologist, provides a fascinating account of what leadership entails. How to choose the right leader, effectively communicate with a boss, maintain the right balance between discipline and leniency? In these and other workplace situations, Pattanaik shows what leaders of today can learn about the art of leadership from stories written thousands of years ago,

# File Type PDF Devdutt

things no management course can teach. Leader: 50 Insights from Mythology uses myths and legends to arrive at wisdom that is both time-worn and refreshingly new, on what makes a good leader.

High above the sky stands Swarga, paradise, abode of the gods. Still above is Vaikuntha, heaven, abode of God. The doorkeepers of Vaikuntha are the twins, Jaya and Vijaya, both whose names mean 'victory'. One keeps you in Swarga; the other raises you into Vaikuntha. In Vaikuntha there is bliss forever, in Swarga there is pleasure for only as long as you deserve. What is the difference between Jaya and Vijaya? Solve this puzzle and you will solve the mystery of the Mahabharata. In this enthralling retelling of India's greatest epic, the Mahabharata, originally known as Jaya, Devdutt Pattanaik seamlessly weaves into a single narrative plots from the Sanskrit classic as well as its many folk and regional variants, including the Pandavani of Chattisgarh, Gondhal of Maharashtra, Terukkuttu of Tamil Nadu, and Yakshagana of Kamataka. Richly illustrated with over 250 line drawings by the author, the 108 chapters abound with little-known details such as the names of the hundred Kauravas, the worship of Draupadi as a goddess in Tamil Nadu, the stories of Astika, Madhavi, Jamini, Aravan and Barnareek, the Mahabharata version of the Shakuntaiam and the Ramayana, and the dating of the war based on astronomical data. With clarity and simplicity, the tales in the elegant volume reveal the eternal relevance of the Mahabharata, the complex and disturbing meditation on the human condition that has shaped Indian thought for over 3000 years.

How do myths and stories influence culture? What is the difference between one culture and another, and how did these differences come to be? Are cultures fixed or do they change over time? Devdutt Pattanaik, India's leading mythologist, breaks down the complex maze of stories, symbols and rituals to examine how they shape cultures. He investigates how stories influence

perception and construct truths, the cultural roots of the notion of evil and reveals the need for mythology through a telling of various Indian and Western myths. In doing so, he shows how myths reflect the culture they emerge from while simultaneously reinforcing the source. Culture is a groundbreaking work that contextualizes mythology and proposes that myths are alive, dynamic, shaped by perception and the times one lives in.

- Olympus is the home of the Greek gods, much like Amravati of the Hindu devas. - Zeus, leader of Olympians, wields a thunderbolt like Indra, and rides an eagle like Vishnu. - The feats of the Greek hero Heracles, known to Romans as Hercules, reminded many of Krishna, as did his name, 'Hari-kula-asha' or lord of the Hari clan. - The Greek epic of a husband sailing across the sea with a thousand ships to bring his wife, Helen, back from Troy seems strikingly similar to the story of Ram rescuing Sita from Lanka. Is there a connection between Greek and Hindu mythology then? Does it have something to do with a common Indo-European root? Or maybe an exchange of ideas in the centuries that followed the arrival of Alexander the Great, when Greek emissaries travelled to the kingdoms of Mathura and Magadha? In this book, mythologist Devdutt Pattanaik turns his attention to ancient Greek tales, and explores a new world of stories. Long have Europeans and Americans retold Indic mythologies. It is time for Indians to reverse the gaze.

It is significant that the only character in Hindu mythology, a king at that, to be given the title of *ekam-patni-vrata*, devoted to a single wife, is associated with the most unjust act of abandoning her in the forest to protect family reputation. This seems a deliberate souring of an uplifting narrative. Ram's refusal to remarry to produce a royal heir adds to the complexity. The intention seems to be to provoke thought on notions of fidelity, property and self-image. And so the mythologist and illustrator Devdutt Pattanaik retells the Ramayana,

# File Type PDF Devdutt

drawing attention to the many oral, visual and written retellings composed in different times, in different places, by different poets, each one trying to solve the puzzle in its own unique way. This book approaches Ram by speculating on Sita: her childhood with her father, Janaka, who hosted sages mentioned in the Upanishads; her stay in the forest with her husband, who had to be a celibate ascetic while she was in the prime of her youth; her interactions with the women of Lanka, recipes she exchanged, emotions they shared; her connection with the earth, her mother, and with the trees, her sisters; her role as the Goddess, the untamed Kali as well as the demure Gauri, in transforming the stoic prince of Ayodhya into God.

The popular names of many yogic asanas - from Virbhadra-asana and Hanuman-asana to Matsyendra-asana, Kurma-asana and Ananta-asana - are based on characters and personages from Indian mythology. Who were these mythological characters, what were their stories, and how are they connected to yogic postures? Devdutt Pattanaik's newest book *Yoga Mythology* (co-written with international yoga practitioner Matt Rulli) retells the fascinating tales from Hindu, Buddhist and Jain lore that lie behind the yogic asanas the world knows so well; in the process he draws attention to an Indic worldview based on the concepts of eternity, rebirth, liberation and empathy that has nurtured yoga for thousands of years.

Journey into the amazing world of Hindu mythology with Devdutt Pattanaik • Why are most temples dedicated to Vishnu, Shiva or the goddess, but not to Brahma or Indra? • How are an asura, rakshasa, yaksha and pishacha different from each other? • Why did the Pandavas find themselves in naraka rather than swarga? Over several months, EPIC Channel's ground-breaking show *Devlok* with Devdutt Pattanaik has enthralled countless viewers. Here, finally, is the book based on the first series of the ever-popular

# File Type PDF Devdutt

show, which will take you on a scintillating tour through the myriad stories, symbols and rituals that form the basis of Hindu culture. Prepare to be surprised and thrilled as Devdutt narrates magical tales about larger-than-life figures—gods, goddesses, demi-gods and demons who you thought you knew well but didn't. Learn about the intricacies of Hindu thought as he explains the origin and meaning of different creation myths, and throws light on why we believe in a cyclical—not linear—concept of time. This book is your perfect introduction to the endlessly fascinating world of Hindu mythology.
