Dialectic of Enlightenment: Philosophical Fragments:

Julie Watkin, from the University of Tasmania, Australia, wrote the following about this book: Philosophical Fragments (...) "investigates in somewhat abstract philosophical language the Platonic-Socratic idea of recollection of truth before considering how truth is brought about in Christianity. The distinction made here is that with the former, the individual possesses the truth and so the teacher merely has to provoke it maieutically to the surface, so to speak, and is not vitally ...

Dialectic of Enlightenment is a product of their wartime exile. It first appeared as a mimeograph titled Philosophical Fragments in 1944. This title became the subtitle when the book was published in 1947.

Theodor W. Adorno (Stanford Encyclopedia of Philosophy)

Dialectic of Enlightenment Quotes Showing 1-30 of 30 * As naturally as the ruled always took the morality imposed upon them more seriously than did the rulers themselves, the deceived masses are today captivated by the myth of success even more than the successful are. Immovably, they insist on the very ideology which enslaves them.
