guerra de 1939-1945 y de los acontecimientos que condujeron a ella --ha dicho Malcolm Muggeridge-- el Diario de Ciano es el más interesante y probablemente resulte ser el más útil para los historiadores". Este diario que el conde Galeazzo Ciano, yerno de Mussolini y ministro de Asuntos Exteriores de la Italia fascista, escribió de 1937 a 1943, es un documento excepcional, integrado por anotaciones tomadas día a día, que reflejan no sólo los acontecimientos presenciados, sino las impresiones del momento: la visión que los propios protagonistas tenían de cuanto estaba sucediendo. La traducción al castellano, aparecida en 1951, de la parte referida a 1937-1938 fue gravemente mutilada para eliminar casi todo lo que

se refer í a al general Franco y a la guerra civil espa ñ ola. La importancia hist ó rica y el valor humano de este documento, del que se siguen haciendo hoy nuevas ediciones en el mundo entero, exig í an esta primera versi ó n completa en espa ñ ol. PRIMERA EDICI Ó N Í NTEGRA EN ESPAÑOL

In 1945, disguised in German greatcoat and helmet, Mussolini attempted to escape from the advancing Allied armies. Unfortunately for him, the convoy of which he was part was stopped by partisans and his features, made so familiar by Fascist propaganda, gave him away. Within 24 hours he was executed by his captors, joining those he sent early to their graves as

## Download Ebook Diario 19371943

an outcome of his tyranny, at least one million people. He was one of the tyrant-killers who so scarred interwar Europe, but we cannot properly understand him or his regime by any simple equation with Hitler or Stalin. Like them, his life began modestly in the provinces; unlike them, he maintained a traditional male family life, including both wife and mistresses, and sought in his way to be an intellectual. He was cruel (though not the cruellist); his racism existed, but never without the consistency and vigor that would have made him a good recruit for the SS. He sought an empire; but, in the most part, his was of the old-fashioned, costly, nineteenth century variety, not a racial or ideological imperium. And, self-evidently

Italian society was not German or Russian: the particular patterns of that society shaped his dictatorship. Bosworth's *Mussolini* allows us to come closer than ever before to an appreciation of the life and actions of the man and of the political world and society within which he operated. With extraordinary skill and vividness, drawing on a huge range of sources, this biography paints a picture of brutality and failure, yet one tempered with an understanding of Mussolini as a human being, not so different from many of his contemporaries.

Robert Mallett argues that the Duce's aggressive war against the Mediterranean powers, Britain and France,

## Download Ebook Diario 19371943

was to secure access to the world's oceans. Mussolini actively pursued the Italo-German alliance to gain a Fascist empire stretching from the Mediterranean to the Indian Ocean.

Minor philofascist publications that appeared in those years are considered as well. Their editorial policy is woven with and presented against the background of the portentous events that shook the world and led to the Second World War."--BOOK JACKET.

With Mussolini ' s Italy, R.J.B. Bosworth—the foremost scholar on the subject writing in English—vividly brings to life the period in which Italians participated in one of

## Download Ebook Diario 19371943

the twentieth century ' s most notorious political experiments. Il Duce ' s Fascists were the original totalitarians, espousing a cult of violence and obedience that inspired many other dictatorships, Hitler ' s first among them. But as Bosworth reveals, many Italians resisted its ideology, finding ways, ingenious and varied, to keep Fascism from taking hold as deeply as it did in Germany. A sweeping chronicle of struggle in terrible times, this is the definitive account of Italy ' s darkest hour.

Developed by an international team of historians, sociologists, political scientists and economists, this collection is the most comprehensive reader of the

## Download Ebook Diario 19371943

history of Sino-Italian relations currently available in the English language.

Richard Bosworth's overview of Italy's role in European and world politics from 1860 to 1960 is lively and iconoclastic. Based on a combination of primary research and secondary material he examines Italian diplomacy, military power, commerce, culture, tourism and ideology. His account challenges many aspects of current Italian historiography and offers an original vision of the place of Italy in modern history.
