Setting up Sky Q | Sky Help | Sky.com

First, make sure all the connections at the back of the box/TV to the dish are securely tightened; then try doing a channel scan, or first time install to see if this restores any lost channels. In the event that this doesn't resolve the issue, there may be a problem with either the alignment of the dish, or some interference in the LNB (the protrusion at the end of the dish that the wires connect to).
