Check for power failure. This is the most common
reason for DSC alarms to unexpectedly ring. Check if
the lights on the property are working to ascertain if
the power is currently on. If the power is out and the
alarm is ringing, this indicates that the batteries in the
alarm system are dead and need to be replaced.

Simple Ways to Reset a DSC Alarm: 7 Steps (with
Pictures)

DSC Power 832 Basic Features. The basic DSC 832
panel has 8 on-board zones for burglary devices, plus
a dedicated fire zone via the PGM terminals. The
burglary zones are individually programmable for
many different responses, so zones can be
customized to match many applications.
