9781558212145: Dyeing and Bleaching Natural Fly-Tying ...

Best, in his own straight forward technical way, takes the reader from step to step in the preparation, bleaching, dyeing and final processing of a number of common fly tying materials. The steps are clear and the text is laced with a number of "common sense" ideas which may not be immediately apparent to the novice (or intermediate for that matter) tyer.
