The specification allows text that states, Check Engine or Service Engine Soon, or to use a pictograph. The rules state that whichever method is used, the light must illuminate when the key is in the ON position and the engine is off. If the light is on and the engine is also on, this is a fault condition.

Service Engine Soon — light | BMW E46 Fanatics Forum

The " Service Engine Soon " light can pop up on your BMW for many reasons. The functions is to alert you to an error or malfunction so you can get the problems fixed before it gets worse.
