THE SNOW an epic Roman tale about a kidnapping and rescue The scene is Rome in the troublesome year 24 B.C. Emperor Augustus is in ill health and the city is seething with intrigue. There is speculation about the succession, uncertainty in the capital and unrest on the frontiers. The question of an heir is acute. Augustus has only one child, a daughter, Julia. She is married to Marcellus, marking the young man with the Emperor's favour, but some disagree with the match. Powerful rivals engineer crisis and conspiracy. These events are seen through the eyes of

Curtius Rufus, ex-centurion, gambler, and a man dissatisfied with life. He comes to the attention of Augustus's lieutenant, Marcus Agrippa, who leads Curtius into the puzzling affair of the legate's daughter, kidnapped, it appears, by pirates and held in captivity in the African desert.

The Leopard and the Cliff has been out of print for a long time with second-hand copies being elusive; nonetheless it has a grim resonance with today demonstrating the futility of fighting in that part of the world. 'Wallace Breem is

a writer who never disappoints one. He has an extraordinary power of treating military disaster in depth and yet with pace, whether on the frontiers of Rome or British India, and of analysing the tensions of command. Gripping as an action story, deeply moving on the individual level, it involves one as an eye-witness from beginning to end.' Mary Renault 'I found the book gripping. I am not a Frontier man but the account of the tribal situation on the Frontier and of the atmosphere accords with all I have read or heard about it. The author brings out movingly

and with skill several points of vital importance to an understanding of British India and the Frontier in particular. Everything depended on India (in this case Pathan) co-operation; this broke down once the British showed lack of confidence and began to retire. The clash of loyalties which then arose was highly dramatic and painful for those involved. The loneliness of such a man as Sandeman is also brought out with skill.' closing, threatening to shutter the entire town and his high school with it. But Red's got his own burdens to bear: his older brother, Bobby, died in the war, and he's been struggling to follow in his footsteps ever since. That means assuming Bobby's old position as quarterback and leading the last-ever Muckers team to the championship. But the only way for the hardscrabble Muckers to win State is to go undefeated and tackle their biggest rival, Phoenix United, which would be something of a miracle. Luckily, miracles can happen all the time on the field.

The classic odyssey through Caesar's Empire. Camul and Acco are young Gauls, content to accept Roman occupation for the benefits it brings. Until Acco brings on himself the curse of the Goddess, and the two are forced to escape her by joining the Roman Army. Julius Caesar's campaigns carry them from the Rhine to Rome, Greece and finally the steppes of Russia. Along the way they face many trials, and feel the full might of the Roman war machine. But distance means little to a Goddess, and Camul must make a terrible pact to survive... The classic of

newly appointed second-in-command to Macro, will have more to prove than most. In a bloody skirmish with local tribes, Cato gets his first chance to prove that he's more than a callow, privileged youth. As their next campaign takes them to a land of unparalleled barbarity - Britain - a special mission unfolds, thrusting Cato and Macro headlong into a conspiracy that threatens to topple the Emperor himself. Filled with the kind of historical details that brings the adventure to life, Simon Scarrow's *Under the Eagle* is destined to become a military fiction classic.
