In his journal, Nobel Prize winner John Steinbeck called East of Eden "the first book," and indeed it has the primordial power and simplicity of myth.

East of Eden by John Steinbeck - Goodreads

East of Eden In the late Sixties and early Seventies East of Eden were one of the hardest working bands in the country. Countless personnel changes and a curious hit single obliterated the original purpose of the band. Yet when they started out they were at the forefront of experimental music of that era.

A masterpiece of Biblical scope, and the magnum opus of one of America's most enduring authors, in a commemorative hardcover edition In his journal, Nobel Prize winner John Steinbeck called East of Eden "the first book," and indeed it has the primordial power and simplicity of myth. Set in the rich farmland of California's Salinas Valley, this sprawling and often brutal novel follows the intertwined destinies of two families—the Trasks and the Hamiltons—whose generations helplessly reenact the fall of Adam and Eve and the poisonous rivalry of Cain and Abel. The masterpiece of Steinbeck's later years, East of Eden is a work in which Steinbeck created his most mesmerizing characters and explored his most enduring themes: the mystery of identity, the inexplicability of love, and the murderous consequences of love's absence. Adapted for the 1955 film directed by Elia Kazan introducing James Dean, and read by thousands as the book that brought Oprah's Book Club back, East of Eden has remained vitally present in American culture for over half a century.

The masterpiece of Steinbeck's later years, East of Eden is a sprawling epic in which his most mesmerizing characters and enduring themes were created and explored: the mystery of identity, the inexplicability of love, and the murderous consequences of love's absence. Set in the rich farmland of California's Salinas Valley, this expansive and often brutal novel follows the intertwined destinies of two families, the Trasks and the Hamiltons, whose generations helplessly reenact the fall of Adam and Eve and the poisonous rivalry of Cain and Abel. East of Eden was a 1955 film introducing James Dean, the book that revived Oprah's Book Club, considered by Steinbeck to be his magnum opus, and has remained vitally present in American culture for over half a century. Penguin Random House Canada is proud to bring you classic works of literature in e-book form, with the highest quality production values. This sprawling and often brutal novel, set in the rich farmlands of California's Salinas Valley, follows the intertwined destinies of two families--the Trasks and the Hamiltons--whose generations helplessly reenact the fall of Adam and Eve and the poisonous rivalry of Cain and Abel.

Each working day from January 29 to November 1, 1951, John Steinbeck warmed up to the work of writing East of Eden with a letter to the late Pascal Covici, his friend and editor at The Viking Press. It was his way, he said, of

"getting my mental arm in shape to pitch a good game." Steinbeck's letters were written on the left-hand pages of a notebook in which the facing pages would be filled with the text of East of Eden. They touched on many subjects—story arguments, trial flights of workmanship, concern for his sons. Part autobiography, part writer's workshop, these letters offer an illuminating perspective on Steinbeck's creative process, and a fascinating glimpse of Steinbeck, the private man.

A Penguin Classic In his first novel to follow the publication of his enormous success, *The Grapes of Wrath*, Steinbeck's vision comes wonderfully to life in this imaginative and unsentimental chronicle of a bus traveling California's back roads, transporting the lost and the lonely, the good and the greedy, the stupid and the scheming, the beautiful and the vicious away from their shattered dreams and, possibly, toward the promise of the future. This edition features an introduction by Gary Scharnhorst. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

John Steinbeck wrote *The Grapes of Wrath* during an astonishing burst of activity between June and October of 1938. Throughout the time he was creating his greatest work, Steinbeck faithfully kept a journal revealing his arduous journey toward its completion. The journal, like the novel it chronicles, tells a tale of dramatic proportions—of dogged determination and inspiration, yet also of paranoia, self-doubt, and obstacles. It records in intimate detail the conception and genesis of *The Grapes of Wrath* and its huge though controversial success. It is a unique and penetrating portrait of an emblematic American writer creating an essential American masterpiece.
