A student-friendly and engaging resource for the 2016 Edexcel GCSE Geography B specification, this brand new course is written to match the demands of the specification. As well as providing thorough and rigorous coverage of the spec, this book is designed to engage students in their learning and to motivate them to progress.

Our brand-new resources are written specifically to tackle the demands of the GCSE (9-1) Maths.

The most student-friendly and engaging resource for the 2016 Edexcel GCSE Geography B specification, this brand new course is written to match the demands of the specification. As well as providing thorough and rigorous coverage of the spec, this book is designed to engage students in their learning and to motivate them to progress.

This practical handbook offers a month-by-month guide to the curriculum, assessment, progress, and leadership over the school year. It provides a clear, comprehensive, and coherent structure to the academic year helping school leaders to prioritise their time and workload, supporting them and their team to work as efficiently and effectively as possible. Considering the statutory and key leadership activities from admissions, induction, transitions, and parents' evenings to coursework, timetabling, assessment, staff performance, and much more, the book provides a clear plan of action to ensure school leaders have prepared their work at the optimal time over the year. Each chapter features tried-and-tested strategies to help schools put robust systems and processes in place alongside guidance on sustaining pace, developing resilience, and exam preparation and technique. Full of practical tips to help improve progress and including real-world examples of leadership in action from leaders working in primary and secondary schools, this is essential reading for all school leaders that want their students to

be as successful as they can possibly be in every lesson, every day.

Our brand-new resources are written specifically to tackle the demands of the GCSE (9-1) Maths. The Foundation Student Book is now endorsed for use with the Edexcel GCSE (9-1) Mathematics specification.

This book has been specifically written for the new two-tier Edexcel linear GCSE specification for first examination in 2008 by the highly successful Framework Maths author team. The book is targeted at the B to A* grade range in the Higher tier GCSE, and it comprises units organised clearly into inspiring full-colour spreads. Each unit offers:

- * Prior learning assessed at the start so students are fully prepared for the topic
- * Learning objectives identified so it is clear what students need to know
- * Clear explanations with examples showing the key techniques
- * Plenty of practice with clearly differentiated questions pitched at an appropriate level
- * Summaries and past Edexcel questions to help students gain responsibility for their learning

It forms part of a series of four student books at GCSE, in which the other three books cater for grade ranges G to E, E to C and D to B.

Help your students perfect their understanding and prepare for examinations with accessible science content presented at the right level. An accessible Revision Guide that completely covers the most recent specification with up-to-date revision questions. Written by best-selling authors with substantial examining experience at both Foundation and Higher level for CCEA.

- Ensures students' understanding with clear worked examples and content written at the correct level
- Provides practice for assessment with lots of Revision Questions
- Enables students to improve their grade with helpful exam tips that covers key terminology and guidance on preparing for assessment
- Helps students to practise and remember key terms with a full Glossary
