For fans of Sarah Dessen, Jennifer Smith, E.L. Lockhart, and John Green, this delightful, often comic coming-of-age novel stars the lovable, brokenhearted River, the streets of LA, and an irresistible cast of characters. Seventeen-year-old River doesn't know what to do with himself when Penny, the girl he adores, breaks up with him. He lives in LA, where nobody walks anywhere, and Penny was his ride; he never bothered getting a license. He's stuck. He's desperate. Okay . . . he's got to learn to drive. But first, he does

## Read Book Eli Aciman Nil Baransel

the unthinkable—he starts walking. He stumbles upon a support group for teens with various addictions. He fakes his way into the meetings, and begins to connect with the other kids, especially an amazing girl. River wants to tell the truth, but he can't stop lying, and his tangle of deception may unravel before he learns how to handle the most potent drug of all: true love. Praise for *Tell Us Something True* “ I promise you ’ ll fall in love with River Dean, even though he's a faker, a stalker, a non-driver, a bad dancer, a bad friend and a codependent mess. He ’ s funny and he ’ s true. His heart is smashed six different ways and he ’ s trying to mend it with tacos and lies—but isn ’ t that true of all of us? ” —E.

Lockhart, New York Times bestselling author of *We Were Liars* “ A heartfelt tale that elevates truth over passion and friends over lovers. Reinhardt keeps it real. Much respect. ” —Matthew Quick, author of *The Silver Linings Playbook* and *Forgive Me, Leonard Peacock* “ A sharp-witted, hilarious, and addicting novel about being lost and discovering your best self. Highly recommended! ” —Adam Silvera, New York Times bestselling author of *More Happy Than Not* “ Oh, how I love a novel where the hero ties himself up, Houdini style, and dives into his own predicament. Once again Dana Reinhardt has written a charming, compassionate, very clever comedy, and this one reminds us how a big lie can reveal the truth. ” —Laura McNeal, author of *Dark Water*, National Book Award Finalist “ *Tell Us Something True* is hope, it is humanity, it is original, funny, wrenching, real, and intelligently surprising. ” —Beth Kephart, author of *Small Damages*, *Going Over*, and *This Is the Story of You* “ When you start reading a Dana Reinhardt book, it ’ s like discovering a new friend. By the time you ’ ve turned the final page it ’ s like saying goodbye to your best friend, and I can think of nothing better to ask of a writer. ” —Markus Zusak, author of *The Book Thief*

An audacious psychological thriller where nothing is what it seems. Ted McKay had it all: a beautiful wife, two daughters, a high-

## Read Book Eli Aciman Nil Baransel

paying job. But after being diagnosed with a terminal brain tumor he finds himself with a gun to his temple, ready to pull the trigger. Then the doorbell rings. A stranger makes him a proposition: why not kill two deserving men before dying? The first target is a criminal, and the second is a man with terminal cancer who, like Ted, wants to die. After executing these kills, Ted will become someone else's next target, like a kind of suicidal daisy chain. Ted understands the stranger's logic: it's easier for a victim's family to deal with a murder than with a suicide. However, as Ted commits the murders, the crime scenes strike him as odd. The targets know him by name and possess familiar mementos. Even more bizarrely, Ted recognizes locations and men he shouldn't know. As Ted's mind begins to crack, dark secrets from his past seep through the fissures. *Kill the Next One* is an immersive psychological thriller from an exciting new voice.

This Guide to Karaite Studies contains thirty-seven chapters which cover all the main areas of the fascinating and varied history and literature of medieval and modern Karaite Judaism. The volume reflects this rapidly growing field of Jewish Studies, as analysed by an international team of experts and taught in various universities and institutes.

This is a hundred-year analytical history of the Paradigm of the Modern. It is in part a treatise on sociological theory, telling the story of the demise of the modern as a dominant paradigm, a demise arising from its inner tensions. For that understanding a journey into the inner depths of the paradigm is called for. The narrative also contains autobiographical sketches portraying the life and thought at Berkeley in the 1960s.
