the relevant laws and regulations in Poland.

The essential resource for designing and implementing employee benefits—bringing you up to date on critical new industry changes For nearly three decades, HR professionals and consultants have depended on The Handbook of Employee Benefits for authoritative answers to their questions about designing and implementing competitive employee benefits packages. Covering everything from general objectives to costs, this classic reference brings you up to date on critical changes driven by legislative developments, such as the new health-care reform law enacted by the passing of the Patient Protection and Affordable Care Act. The seventh edition of The Handbook of Employee Benefits features the knowledge and insights of the leading scholars and practitioners in the field. Filled with new and updated information and real-world examples, this edition focuses on health and group benefits: Health Benefits: health-care reform's impact on employee benefits, new approaches to cost containment, how to access quality care, consumer-driven health-care plan designs along with dental, behavioral, prescription, and long-term care programs Life Insurance: group term, universal life, and corporate-owned life programs Work/Life Programs: traditional time off and family leave, child and elder care, and assistance for education, financial planning, and voluntary benefits Social Insurance Programs: Social Security, Medicare, and workers' and unemployment compensation programs Group and Health Benefit Plan Financial Management: federal tax laws, funding health benefit plans—insured, self-funded, and captive arrangements Employee Benefit Administration: flexible benefit plans, fiduciary liability issues, and communications Issues of Special Interest: retiree welfare benefits, small company benefits, multiemployer plans, and international employee benefit planning An innovative, efficient employee benefit program has become one of the primary prerequisites to success in today's lean business battleground. The Handbook of Employee Benefits provides the knowledge and tools you need to create plans that benefit the greatest number of employees, while allowing employers to maintain fiscal integrity and competitive advantage.

This new edition has been updated to include the Health Insurance Portability and Accountability Act (HIPAA) and the Social Security and Medicare implications of the new 1997 tax and budget bills. In all its editions, Employee Benefits is considered to be the most comprehensive benefits text on the market. This is a great resource for small business owners and human resource professionals.

Guiding readers through all aspects of 457 plan administration -- from installation through the audit process -- the 457 ANSWER BOOK

## Read Book Employee Benefits 8th Edition

describes: The duties and responsibilities of those performing the functions; the required legal, accounting, and administrative tasks; checklists that facilitate control of each administrative process; and suggested forms. Blending the theoretical and practical, The 457 ANSWER BOOK provides: the history and legal origins of the plan Design and drafting standards Suggested administrative procedures Data processing and payroll considerations Operations and fund flow mechanics Marketing and sales suggestions and much more.

Human resources is rapidly evolving into a data-rich field but with big data comes big decisions. The best companies understand how to use data to make strategic workforce decisions and gain significant competitive advantage. Human Resource Management: People, Data, and Analytics by Talya Bauer, Berrin Erdogan, David Caughlin, and Donald Truxillo introduces students to the fundamentals of talent management with integrated coverage of data analytics and how they can be used to inform and support decisions about people in an organization. Features tied to SHRM competencies and data exercises give readers hands-on opportunities to practice the analytical and decision-making skills they need to excel in today's job market. Engaging examples illustrate key HRM concepts and theories, which brings many traditional HRM topics concepts to life. Whether your students are future managers or future HR professionals, they will learn best practices for managing talent across the lifecycle in the changing workplace.

A new collection of best practices for designing better compensation and benefit programs... 2 authoritative books, now in a convenient e-format, at a great price! 2 authoritative eBooks help you drive more value, efficiency, and competitive advantage from compensation and benefits programs Compensation and benefit programs are the largest expenses in most organizations; in service organizations, they often represent more than 50% of total costs. In this unique 2 eBook package, leading consultant Bashker D. Biswas helps you systematically optimize these programs to maximize value, efficiency, and competitive advantage. In Employee Benefits Design and Planning , Biswas brings together all the knowledge you need to make better benefits decisions. He introduces core principles for ensuring proper financing, funding, compliance, and recordkeeping; accurate actuarial calculations; and effective employee communication. Building on these principles, he guides you through benefits ranging from healthcare and disability insurance to retirement and cafeteria plans. You'll find up-to-date discussions of complex challenges, such as the Affordable Care Act and global benefits planning. Throughout, he offers essential insights for managing rising costs and risks, while ensuring that benefits programs improve productivity, reflect best practices, and align with your organization's strategy and goals. Next, in Compensation and Benefit Design , Biswas helps HR professionals bring true financial and accounting discipline to compensation and benefit design, tightly align talent management to strategy, and quantify program performance in the language of finance. Biswas thoroughly explains best-fit

## Read Book Employee Benefits 8th Edition

practices for superior program design, demystifies relevant financial and accounting concepts, and illuminates key connections between HR program development and GAAP/IFRS accounting requirements. His far-reaching coverage ranges from integrating compensation and benefits into Balanced Scorecards to managing expatriate compensation. Biswas reveals the true financial implications of every element of modern compensation and benefit programs, from base salaries to stock incentives, sales compensation to healthcare cost containment. Perhaps most important, he helps you systematically measure the value of your investments -- so you can both prove and improve your performance. Simply put, this collection brings together unparalleled tools for optimizing compensation and benefits programs -- whether you're in HR, finance, line-of-business management, or corporate management. From Dr. Bashker D. Biswas, world-renowned expert in employee compensation and benefits program design

This classic social insurance work has been updated to cover a decade of policy developments and the impact of the recent economic crisis. The book includes in-depth discussion of all major programs to reduce economic insecurity in the United States, including Social Security, Medicare, workers' compensation, unemployment compensation, and temporary disability insurance. The principles, characteristics, and policy issues associated with social insurance and public assistance programs are discussed in detail. The book examines each major cause of economic insecurity and analyzes the appropriate social insurance program for dealing with the problem.

Updated edition of best-selling guide for PHR and SPHR candidates The demand for qualified human resources professionals is on the rise. The new Professional in Human Resources (PHR) and Senior Professional in Human Resources (SPHR) exams from the Human Resources Certification Institute (HRCI) reflect the evolving industry standards for determining competence in the field of HR. This new edition of the leading PHR/SPHR Study Guide reflects those changes. Serving as an ideal resource for HR professionals who are seeking to validate their skills and knowledge, this updated edition helps those professionals prepare for these challenging exams. Features study tools that are designed to reinforce understanding of key functional areas Provides access to bonus materials, including a practice exam for the PHR as well as one for the SPHR.
