As it has since it started way back in 1979, the idea behind the annual Engine Yearbook is to provide a snapshot of the last 12 months in the engine industry. In general terms, the snapshot roughly covers from one May to the next and the list of noteworthy things – new engine introductions, acquisitions and divestitures, etc. – often tends to even out over the course of those 12 months.

Engine Year Book 2019 – Jon Sharp Article. After almost 30 years in engine leasing, the outgoing president and CEO of Engine Lease Finance (ELFC), Jon Sharp, provides a valedictory guide to the changing dynamics of the market he specializes in. The aviation boom continues, albeit with one or two clouds gathering, and 2018 has proved to be another very interesting year for the engine market.
