## Engineering

“Engineers are generally concerned with designing and/or making things that work. The engineers I know use a knowledge of physics to do so, but at the end of the day, their goal is not to probe the rules by which the universe operates. Knowledge of physics is a means to an end. They ’ re after creating something that

Engineering Physics -  
Engineering Science  
engineering physics just  
sets you up to be more  
suited to doing analysis,  
so it's slightly less real  
world and slightly more  
theoretical. If you going  
on for a masters or PhD  
and like analysis or  
physics EP is not a bad  
choice.
