I have reviewed the Interactive Homework books for several grade levels in the enVision Math series. The Grade 5 book is a solid workbook and follows the pattern of the others. That is, it includes one page per section of the actual textbook. I wish the workbook included more than just one practice page for each section.

Scholastic Real-Life Math gives you practice
using math for everyday situations. To get
and keep a job, you need math skills. To run
a home or a workshop, you need math skills.
In sports, travel, shopping—you use math
every day. So, whether you need math at the
grocery store or on a vacation, each section
will improve your necessary math skills.
